

of special populations. Massachusetts expects to award 20–25 grants ranging from \$50,000 to \$100,000 each. Grant recipients will be required to match on a dollar for dollar basis the total grant request from State, local, business and industry, or other non-Perkins Federal funding source. The Request for Proposal will include a stipulation that schools include enrollment figures for new proposed programs or grant-impacted programs, and also include the number of students who are members of special populations. Grant funds awarded under this Request for Proposal cannot be used to supplant activities that are currently being funded.

D. The Secretary's Determination

The Secretary has carefully reviewed the plan submitted by Massachusetts and other relevant documentation. Based upon that review, the Secretary has determined that the conditions under section 459 of GEPA have been met.

This determination is based upon the best information available to the Secretary at the present time. If this information is not accurate or complete, the Secretary is not precluded from taking appropriate administrative action at a later date. In finding that the conditions of section 459 of GEPA have been met, the Secretary makes no determination concerning any pending audit recommendations or final audit determinations.

E. Notice of the Secretary's Intent To Enter Into a Grantback Arrangement

Section 459(d) of GEPA requires that, at least 30 days before entering into an arrangement to award funds under a grantback, the Secretary must publish in the **Federal Register** a notice of intent to do so, and the terms and conditions under which the payment will be made.

In accordance with section 459(d) of GEPA, notice is hereby given that the Secretary intends to make funds available to the Massachusetts Department of Education under a grantback arrangement. The grantback award would be in the amount of \$1,583,858, which is 75 percent—the maximum percentage authorized by the statute—of the principal recovered by the Department as a result of the final audit determination and the settlement in this matter.

F. Terms and Conditions Under Which Payments Under a Grantback Arrangement Would Be Made
