

comment, a regulatory flexibility analysis when the agency issues a regulation which would have a significant impact on a substantial number of small entities. This Interim Final Rule is not a significant regulatory action under Executive Order 12866, nor would it have a significant impact on a substantial number of small entities. The changes set forth in the interim final rule are minor revisions to the existing regulation.

The interim final rule will not impose additional information collection requirements on the public under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3511). This rule is being issued as an interim final rule, with comment period, as an exception to our standard practice of soliciting public comments prior to issuance. The Assistant Secretary of Defense (Health Affairs) has determined that following the standard practice in this case would be impracticable, unnecessary, and contrary to the public interest. This determination is based on several factors. Most importantly, this change directly implements a payment process already used by Medicare. All public comments are invited.

Accordingly, 32 CFR part 199 is amended as follows:

PART 199—[AMENDED]

1. The authority citation for part 199 continues to read as follows:

* * * * *

(h) * * *

(2) *Bonus payments in medically underserved areas.* A bonus payment, in addition to the amount normally paid under the allowable charge methodology, may be made to providers in medically underserved areas. For purposes of this paragraph, medically underserved areas are the same as those determined by the Secretary of Health and Human Services for the Medicare program. Such bonus payments shall be equal to the bonus payments authorized by Medicare, except as necessary to recognize any unique or distinct characteristics or requirements of the CHAMPUS program, and as described

in instructions issued by the Director, OCHAMPUS.

If the Department of Health and Human Services acts to amend or remove the provision for bonus payments under Medicare, CHAMPUS likewise may follow Medicare in amending or removing provision for such payments.

Special Local Regulations; Harbour Town Fireworks Display, Calibogue Sound, Hilton Head, SC

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: Temporary Special Local Regulations are being adopted for the Harbour Town Fireworks Display, Calibogue Sound, Hilton Head, SC. The event will be held from 9 p.m. to 9:30 p.m. local time on July 4, 2000 in Calibogue Sound, Hilton Head, SC.

These regulations are needed to provide for the safety of life on navigable waters during the event.

DATES: This rule is effective from 8:30 p.m. to 9:30 p.m. local time on July 4, 2000 and from 8:30 p.m. to 9:30 p.m. on July 5, 2000 in case of event postponement due to the onset of inclement weather.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket CGD 07-00-062 and are available for inspection or copying at Commander, Coast Guard Group, 196 Tradd St., Charleston, SC 29401, between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays. **FOR FURTHER INFORMATION CONTACT:** LT Simone Brisco, U.S. Coast Guard Group, Charleston, SC, at (843) 724-7628.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this

regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM because information concerning the exact date and times of the event were only recently received. Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** because information concerning the exact date and times of the event were only recently received.

Background and Purpose

These regulations are required to provide for the safety of life on navigable waters because of the inherent danger of fireworks during the Harbour Town Display, Calibogue Sound, Hilton Head, SC.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary as this regulation will only be in effect for one hour in a limited area.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612) we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small business, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. The rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in a portion of Calibogue Sound from 8:30 p.m. to 9:30 p.m. on July 4, 2000 (or July 5, 2000 if the event is postponed). This special local regulation will not have a significant economic impact on a substantial number of small entities

because this rule will be in effect for only 1 hour, and vessel traffic can pass safely around the regulated area.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking process. If the rule would affect your small business, organization, or government jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding and participating in this rulemaking. We also have a point of contact for commenting on actions by employees of the Coast Guard. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule contains no collection of information requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive

Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or safety that may disproportionately affect children.

Environment

The Coast Guard has considered the environmental impact of this action and has determined under Figure 2-1, paragraph 34(h) of Commandant Instruction M16475.1C, that this rule is categorically excluded from further environmental documentation.
