DEPARTMENT OF ENERGY

[Docket No. EA–225]

Application To Export Electric Energy; Split Rock Energy LLC

AGENCY: Office of Fossil Energy, DOE.

ACTION: Notice of application.

SUMMARY: Split Rock Energy LLC (Split Rock) has applied for authority to transmit electric energy from the United States to Canada pursuant to section 202(e) of the Federal Power Act.

DATES: Comments, protests or requests to intervene must be submitted on or before August 4, 2000.

SUPPLEMENTARY INFORMATION: Exports of electricity from the United States to a foreign country are regulated and require authorization under section 202(e) of the Federal Power Act (FPA) (16 U.S.C. 824a(e)).

On June 5, 2000, the Office of Fossil Energy (FE) of the Department of Energy (DOE) received an application from Split Rock to transmit electric energy from the United States to Canada. Split Rock is a Minnesota limited liability company jointly owned by Minnesota Power, Inc. and Great River Energy, a public power cooperative. Split Rock, a power marketer, intends to export energy produced by Minnesota Power Inc. or purchased from electric utilities and other suppliers in the United States.

Split Rock proposes to arrange for the delivery of electric energy to Canada over the existing international transmission facilities owned by Bonneville Power Administration, Citizens Utilities, Detroit Edison Company, Eastern Maine Electric Cooperative, Joint Owners of the Highgate Project, Long Sault, Inc., Maine Electric Power Company, Maine Public Service Company, Minnesota Power Inc., Minnkota Power Cooperative, New York Power Authority, Niagara Mohawk Power Corporation, Northern States Power, and Vermont Electric Transmission Company. The construction, operation, maintenance, and connection of each of the international transmission facilities to be utilized by Split Rock, as more fully described in the application, has previously been authorized by a Presidential permit issued pursuant to Executive Order 10485, as amended.

Procedural Matters

Any person desiring to become a party to this proceeding or to be heard by filing comments or protests to this application should file a petition to intervene, comment or protest at the address provided above in accordance with §§ 385.211 or 385.214 of the FERC’s rules of practice and procedures (18 CFR 385.211, 385.214). Fifteen copies of each petition and protest should be filed with the DOE on or before the date listed above.

Comments on the Split Rock application to export electric energy to Canada should be clearly marked with Docket EA–225. Additional copies are to be filed directly with Steven W. Tyacke, Esq., Split Rock Energy LLC, 30 West Superior Street, Duluth, MN 55802.

A final decision will be made on this application after the environmental impacts have been evaluated pursuant to the National Environmental Policy Act of 1969, and a determination is made by the DOE that the proposed action will not adversely impact on the reliability of the U.S. electric power supply system.

Copies of this application will be made available, upon request, for public inspection and copying at the address provided above or by accessing the Fossil Energy Home Page at http://www.fe doe.gov. Upon reaching the Fossil Energy Home page, select “Regulatory Programs,” then “Electricity Regulation,” and then “Pending Proceedings” from the options menus.

Issued in Washington, DC, on June 27, 2000.

Anthony J. Como,
Deputy Director, Electric Power Regulation, Office of Coal & Power Im/Ex, Office of Coal & Power Systems, Office of Fossil Energy.
