AGENCY: Federal Emergency Management Agency (FEMA).

ACTION: Notice.

SUMMARY: This is a notice of the Presidential declaration of a major disaster for the State of Tennessee (FEMA–1331–DR), dated June 12, 2000, and related determinations.

EFFECTIVE DATE: June 12, 2000.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated June 12, 2000, the President declared a major disaster under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.), as follows:

I have determined that the damage in certain areas of the State of Tennessee, resulting from severe storms, tornadoes, and flooding on May 23–31, 2000, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. § 5121 et seq. (Stafford Act). I, therefore, declare that such a major disaster exists in the State of Tennessee.

In order to provide Federal assistance, you are hereby authorized to allocate funds available for these purposes, such amounts as you find necessary for Federal disaster assistance and administrative expenses.

You are authorized to provide Public Assistance and Hazard Mitigation in the designated areas and any other forms of assistance under the Stafford Act you may deem appropriate. Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided under the Stafford Act for Public Assistance or Hazard Mitigation will be limited to 75 percent of the total eligible costs.

Further, you are authorized to make changes to this declaration to the extent allowable under the Stafford Act.

Notice is hereby given that pursuant to the authority vested in the Director of the Federal Emergency Management Agency under Executive Order 12148, I hereby appoint Charles M. Butler of the Federal Emergency Management Agency to act as the Federal Coordinating Officer for this declared disaster.

I do hereby determine the following areas of the State of Tennessee to have been affected adversely by this declared major disaster:
Anderson, Benton, Cheatham, Davidson, Henry, Hickman, Houston, Jackson, Knox, Lake, Obion, Perry, Pickett, and Stewart Counties for Public Assistance.

All counties within the State of Tennessee are eligible to apply for assistance under the Hazard Mitigation Grant Program.

FEDERAL EMERGENCY MANAGEMENT AGENCY

Notices of Field Test of the State Management of the Public Assistance Operations in Small Disasters

AGENCY: Federal Emergency Management Agency (FEMA).

ACTION: Notice.

SUMMARY: We (FEMA) give notice that we will field test the devolution of major management responsibility of the Public Assistance Program to interested States in small disasters beginning on or after July 1, 2000. We award Public Assistance grants, which supplement community assets in the recovery of State, local and eligible private non-profit infrastructure when the President declares an emergency or major disaster. The proposed change in the program management does not constitute changes to the process by which assistance is provided nor does it change the role and responsibilities of both the State and FEMA as well as the processes and procedures in effect under the agreement.

Under this initiative, a capable State will manage the Public Assistance Program operation, including project eligibility reviews, process control, and resource allocation on small disasters. We will retain obligation authority, final approval of environmental and historic preservation reviews, and we will help the State to the extent that the State requests such assistance. We and the State will conduct on-going quality control checks of a sample of Project Worksheets to ensure accurate eligibility decisions, scopes of work, and cost estimates. A Quality Assurance Team consisting of our and State staff will evaluate the Public Assistance recovery operation and determine the level of success of the pilot program. We will develop evaluation criteria before the pilot program and will include the criteria in the operational agreement.

Dated: June 20, 2000.

Lacy E. Suiter,
Executive Associate Director, Response and Recovery Directorate.
