SUPPLEMENTARY INFORMATION:

Background

On May 12, 1995, the Department issued the antidumping duty order on pure magnesium from Russia (60 FR 25691) pursuant to section 736(a) of the Tariff Act of 1930, as amended ("the Act"). The Department initiated a sunset review of this order by publishing a notice of the initiation in the **Federal Register**, April 3, 2000 (65 FR 17484). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for this proceeding to inform them of the automatic initiation of the sunset review on this order.

No domestic interested parties responded to the notice of initiation by the April 18, 2000 deadline (*see* section 351.218(d)(1)(i) of *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13520 (March 20, 1998) ("*Sunset Regulations*").

Determination To Revoke

Pursuant to section 751(c)(3)(A) of the Act and section 351.218(d)(1)(iii)(B)(3) of the *Sunset Regulations*, if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the review, revoking the order. Because no domestic interested party responded to the notice of initiation by the applicable deadline, April 18, 2000, we are revoking this antidumping duty order.

Effective Date of Revocation

Pursuant to section 751(c)(6)(A)(iv) of the Act, the Department will instruct the United States Customs Service to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after January 1, 2000. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and antidumping duty deposit requirements. The Department will complete any pending administrative reviews of this order and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

Dated: June 30, 2000.
