

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the denied person, or service any item, of whatever origin, that is owned, possessed or controlled by the denied person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

III. After notice and opportunity for comment as provided in Section 766.23 of the Regulations, any person, firm, corporation, or business organization related to Kim by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be subject to the provisions of this Order.

IV. This Order does not prohibit any export, reexport, or other transaction subject to the Regulations where the only items involved that are subject to the Regulations are the foreign-produced direct product of U.S.-origin technology.

V. This Order is effective immediately and shall remain in effect until July 11, 2007.

VI. In accordance with Part 756 of the Regulations, Kim may file an appeal from this Order with the Under Secretary for Export Administration. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of Part 756 of the Regulations.

VII. A copy of this Order shall be delivered to Kim. This Order shall be published in the **Federal Register**.

Dated: June 27, 2000.

#### **Continuation of Antidumping Duty Orders: Certain Bearings From France, Germany, Italy, Japan, Singapore, the United Kingdom, and the People's Republic of China**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Continuation of Antidumping Duty Orders: Certain Bearings from France, Germany, Italy, Japan, Singapore, the United Kingdom, and the People's Republic of China.

**SUMMARY:** On November 4, 1999 (with respect to France, Germany, Italy, Japan, Singapore, and the United Kingdom) and on April 3, 2000 (with respect to the People's Republic of China ("PRC")), the Department of Commerce ("the Department"), pursuant to sections 751(c) and 752 of the Tariff Act of 1930, as amended ("the Act"), determined that revocation of the antidumping duty orders on certain bearings from France, Germany, Italy, Japan, Singapore, the United Kingdom, and the PRC would be likely to lead to continuation or recurrence of dumping (64 FR 60321, 60309, 60291, 60275, 60287, 60326, and 65 FR 11550, respectively). On June 28, 2000, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act, determined that revocation of these antidumping duty orders on certain bearings from France, Germany, Italy, Japan, Singapore, the United Kingdom, and the PRC would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (65 FR 39925). Therefore, pursuant to 19 CFR 351.218(f)(4), the Department is publishing notice of the continuation

of antidumping duty orders on certain bearings from France, Germany, Italy, Japan, Singapore, the United Kingdom, and the PRC.

**EFFECTIVE DATE:** July 11, 2000.

**FOR FURTHER INFORMATION CONTACT:** Eun W. Cho or James Maeder, Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW, Washington, DC 20230; telephone: (202) 482-1698 or (202) 482-3330, respectively.

### SUPPLEMENTARY INFORMATION:

#### Background

On April 1, 1999, the Department initiated, and the Commission instituted, sunset reviews (64 FR 15727 and 64 FR 15783, respectively) of the antidumping duty orders on certain bearings from France, Germany, Italy, Japan, Singapore, the United Kingdom, and the PRC, pursuant to section 751(c) of the Act. As a result of its reviews, the Department found that revocation of the antidumping duty orders would be likely lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margins likely to prevail were the orders to be revoked.<sup>1</sup>

On June 28, 2000, the Commission determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty orders on certain bearings from France, Germany, Italy, Japan, Singapore, the United Kingdom, and the PRC would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (see, Certain Bearings From China, France, Germany, Hungary, Italy, Japan, Romania, Singapore, Sweden, and the United Kingdom, 65 FR 39925 (June 28, 2000) and USITC Publication 3309, Investigations Nos. AA1921-143, 731-TA-341, 731-TA-343-345, 731-TA-391-397, and 731-TA-399 (Review) (June 2000)).
