The proposed Consent Decree prohibits the discharge of pollutants into waters of the United States without authorization by the United States Department of the Army Corps of Engineers and requires Defendants, at their own expense and at the direction of EPA, to restore and/or mitigate the damages caused by their unlawful activities. This proposed Consent Decree further requires Defendants to pay civil penalties to the United States as follows: two thousand dollars (\$2,000) within thirty (30) days of the date of entry of this Consent Decree; three thousand dollars (\$3,000) at the one year anniversary of the date of entry; three thousand dollars (\$3,000) at the two year anniversary of the date of entry; three thousand dollars (\$3,000) at the three year anniversary of the date of entry; and four thousand dollars (\$4,000) at the four year anniversary of the date of entry.
