## DEPARTMENT OF JUSTICE

### Notice of Lodging of Amendment To Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Under 28 CFR 50.7, notice is hereby  
given that on June 26, 2000, a proposed  
Amendment No. 1 to the Consent  
Decree ("Consent Decree Amendment")  
in *United States v. ASARCO  
Incorporated*, Civil Action No. C91-  
5528B was lodged with the United  
States District Court for the Western  
District of Washington.

In the original Consent Decree in this  
action, the United States settled claims  
against ASARCO Inc. ("Asarco") under  
the Comprehensive Environmental  
Response, Compensation, and Liability  
Act ("CERCLA") for reimbursement of  
response costs and implementation of  
remedial actions in connection with the  
Asarco Tacoma Smelter, an operable  
unit of the Commencement Bay  
Nearshore/Tideflats Superfund Site  
("CB N/T Site") in Ruston and Tacoma,  
Washington. Since entry of the Consent  
Decree, Asarco has been implementing  
the remedial action selected by EPA for  
the Asarco Tacoma Smelter.  
Amendment No. 1 adds lump sum  
stipulated penalties to be incurred by  
Asarco if it fails to meet certain revised  
deadlines for performing remedial  
actions at the Asarco Tacoma Smelter  
and with respect to sediments in  
Commencement Bay adjacent to the  
Smelter. The new stipulated penalties  
relate to revised deadlines by which  
Asarco must perform certain remedial  
actions at and near the Asarco Tacoma  
Smelter that were negotiated by EPA  
and Asarco and set forth in a  
Modification Agreement attached to the  
Consent Decree Amendment as  
Appendix A. In addition to delaying the  
schedule for Asarco's implementation of  
certain response actions at the Smelter,  
the Modification Agreement also allows  
for Asarco to reimburse response costs  
already incurred by EPA but not yet  
paid in three installments in 2001, 2002,  
and 2003, with interest accruing on the  
unpaid balance. the Modification  
Agreement also modifies requirements  
under the Consent Decree in *United  
States v. ASARCO Inc.*, Civil Action No.  
C94-5714 (W.D. Wash.), relating to the  
remediation of the Ruston/North

Tacoma Study Area by similarly delaying reimbursement of EPA's response costs with respect to that Decree, but requiring that Asarco increase the number of yards in Ruston and North Tacoma that it performs remedial actions on each year. The Modification Agreement also requires Asarco to treat discharges from the Edwards and City stormwater outfalls into Commencement Bay and to dispose of marine sediments dredged from the marina adjacent to the Smelter under the Smelter site-wide cap if EPA selects such dredging and disposal in its Record of Decision for remediation of Asarco off-shore sediments.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree Amendment. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. ASARCO Inc.*, D.J. Ref. No. 90-11-2-698A.

The Consent Decree Amendment may be examined at the Office of the United States Attorney, 601 Union Street, Suite 5100, Seattle 98101-3903, and at U.S. EPA Region 10, 1200 Sixth Avenue, Seattle, WA 98101. A copy of the Consent Decree Amendment may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611. The proposed Consent Decree prohibits the discharge of pollutants into waters of the United States without authorization by the United States Department of the Army Corps of Engineers and requires Defendants, at their own expense and at the direction of EPA, to restore and/or mitigate the damages caused by their unlawful activities. This proposed Consent Decree further requires Defendants to pay civil penalties to the United States as follows: two thousand dollars (\$2,000) within thirty (30) days of the date of entry of this Consent Decree; three thousand dollars (\$3,000) at the one year anniversary of the date of entry; three thousand dollars (\$3,000) at the two year anniversary of the date of entry; three thousand dollars (\$3,000) at the three year anniversary of the date of entry; and four thousand dollars (\$4,000) at the four year anniversary of the date of entry.

Allen, and Economy Industrial Properties under Section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9607(a), for reimbursement of response costs incurred by the U.S. Environmental Protection Agency ("EPA") in connection with the Bollinger Superfund Site in Ambridge, Pennsylvania. The consent decree also resolves the claims of the United States for penalties under Section 104(e) of CERCLA, 42 U.S.C. 9604(e), against Thomas R. Allen, Jr. and Morton J. Greene, for their failure to respond adequately to EPA information requests. The consent decree obligates the Settling Defendants to pay a total of \$450,000 to settle this action; \$400,000 is in reimbursement of EPA's outstanding (unreimbursed) past costs incurred through June 26, 2000 (date of lodging), which total approximately \$1.8 million, and \$50,000 is in payment of penalties for Thomas R.
