SUPPLEMENTARY INFORMATION:

I. Summary of Rule Proposals

The public hearings concern the Commission's proposed rule amendments regarding auditor independence. As more fully described in the Proposing Release, the proposals modernize the Commission's requirements by providing governing principles for determining whether an auditor is independent in light of: investments by auditors or their family members in audit clients, employment relationships between auditors or their family members and audit clients, and the scope of services provided by audit firms to their audit clients. The proposals would, among other things, significantly reduce the number of audit firm employees and their family members whose investments in audit

clients are attributed to the auditor. They would also identify certain non-audit services that, if provided to an audit client, would impair an auditor's independence. The scope of services proposals would not extend to services provided to non-audit clients. The proposal also would provide a limited exception for accounting firms that have certain quality controls and satisfy other conditions. Finally, the proposals would require companies to disclose in their annual proxy statements certain information about, among other things, non-audit services provided by their auditors during the last fiscal year. The Commission will consider the hearing record in connection with its rulemaking proposals.

II. Procedures for Hearing

After July 17, 2000, the Commission will publish a schedule of appearances. Based on the number of requests received, the Commission may not be able to accommodate all requests for the July 26 hearing. It also may limit the time for formal presentations or group presentations into a series of panels. Time will be reserved for members of the Commission and Commission staff to pose questions to each witness concerning his or her testimony as well as other matters pertaining to the Proposing Release. The Commission has designated Jonathan G. Katz, Secretary of the Commission, as the hearing officer. As noted, the Commission will hold additional public hearings in September. The Commission will issue other orders designating additional hearing officers as necessary.

Dated: July 7, 2000.

By the Commission.

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-43013; File No. SR-Amex-00-12]

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the American Stock Exchange LLC Relating to Procedures for the Review of Initial Listing Decisions

July 6, 2000.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

28, 2000, the American Stock Exchange LLC (the "Amex" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to adopt new Part 12 of the Amex Company Guide to establish procedures for the review of initial listing determinations. The text of the proposed rule change is available at the Amex and the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Amex proposes to establish new procedures for the review of initial listing determinations. Amex original listing criteria, set forth in Part 1 of the Amex Company Guide, provide quantitative and qualitative criteria for the original listing of securities on the Exchange. Section 101 of the Amex Company Guide currently provides that the approval of a listing application is a matter solely within the discretion of the Exchange. Thus, the Exchange currently has the discretion to list the securities of an applicant that may not satisfy each of the listing guidelines and to deny the listing of an applicant's securities that do satisfy those guidelines. Furthermore, under the Exchange's existing procedures, original listing determinations are made by different entities. The ultimate discretion to list applicants that do not satisfy each of the guidelines is vested
