BILLING CODE 6717-01-M**DEPARTMENT OF ENERGY****Federal Energy Regulatory Commission****[Docket No. RP00-381-000]****National Fuel Gas Supply Corporation; Notice of Tariff Filing**

July 11, 2000.

Take notice that on June 30, 2000, National Fuel Gas Supply Corporation (National) tendered for filing as part of its FERC Gas Tariff Fourth Revised Volume No. 1, the following tariff sheet to become effective July 1, 2000.

Twenty Fourth Revised Sheet No. 9

National asserts that the purpose of this filing is to comply with the Commission's order issued February 16, 1996, in Docket Nos. RP94-367-000, et al. Under Article I, Section 4, of the settlement approved in that order, National must redetermine quarterly the Amortization Surcharge to reflect revisions in the Plant to be Amortized, interest and associated taxes, and a change in the determinants. The recalculation produced an Amortization Surcharge of 7.81 cents per dth.

Further, National states that under Article II, Section 1, of the settlement, it is required to recalculate the maximum Interruptible Gathering ("IG") rate semi-annually and to charge that rate to be effective July 1 and on January 1. The recalculation produced an IG rate of 13 cents per dth, which is the same as National's current IG rate. National also states that Article II, Section 2 is not applicable as the monthly recalculation did not result in a rate more than 2 cents above or below the semi-annual calculation. As there is no change in National's IG rate, Appendix E is filed for informational purposes only.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

BILLING CODE 6717-01-M**DEPARTMENT OF ENERGY****Federal Energy Regulatory Commission****[Docket No. ER00-3090-000]****PJM Interconnection, L.L.C.; Notice of Filing**

July 11, 2000.

Take notice that on July 7, 2000, PJM Interconnection, L.L.C. (PJM), tendered for filing supplements to the Appendix of Attachment K of the PJM Open Access Transmission Tariff (PJM Tariff) and a supplement to Schedule 1 of the Amended and Restated Operating Agreement of PJM Interconnection, L.L.C., to set forth a Customer Load Reduction Pilot Program to be implemented on a temporary basis to ensure the continued reliability of the electric power system during the summer. For informational purposes, PJM also included its streamlined procedures pursuant to section 36.12 of the PJM Tariff for the interconnection of generation of less than 10 megawatts. In the alternative, to the extent these procedures are considered amendments to the PJM Tariff, PJM proposed these procedures also be accepted for filing.

PJM requests a waiver of the Commission's 60-day notice requirement to permit an effective date of July 8, 2000 for the amendments. PJM also requested that responses to the filing be due on July 17, 2000 and that the Commission issue a final order by July 26, 2000.

Copies of this filing were served upon all members of PJM and each state electric utility regulatory commission in the PJM control area.

Any person desiring to be heard or to protest such filing should file a motion
