SUPPLEMENTARY INFORMATION:

Description of the SBDC Program

A partnership exists between SBA and an SBDC. SBDCs offer training, counseling and other business development assistance to small businesses. Each SBDC provides services under a negotiated Cooperative Agreement with SBA, the general management and oversight of SBA, and a state plan initially approved by the Governor. Non-Federal funds must match Federal funds. An SBDC must operate according to law, the Cooperative Agreement, SBA's regulations, the annual Program Announcement, and program guidance.

Program Objectives

The SBDC program uses Federal funds to leverage the resources of states, academic institutions and the private sector to:

- (a) Strengthen the small business community;
- (b) Increase economic growth;
- (c) Assist more small businesses; and
- (d) Broaden the delivery system to more small businesses.

SBDC Program Organization

The lead SBDC operates a statewide or regional network of SBDC service centers. An SBDC must have a full-time Director. SBDCs must use at least 80 percent of the Federal funds to provide services to small businesses. SBDCs use volunteers and other low cost resources as much as possible.

SBDC Services

An SBDC must have a full range of business development and technical assistance services in its area of operations, depending upon local needs, SBA priorities and SBDC program objectives. Services include training and counseling to existing and prospective small business owners in management, marketing, finance, operations, planning, taxes, and any other general or technical area of assistance that supports small business growth.

The SBA district office and the SBDC must agree upon the specific mix of services. They should give particular attention to SBA's priority and special emphasis groups, including veterans, women, exporters, the disabled, and minorities.

SBDC Program Requirements

An SBDC must meet programmatic and financial requirements imposed by statute, regulations or its Cooperative Agreement. The SBDC must:

- (a) Locate service centers so that they are as accessible as possible to small businesses;
- (b) Open all service centers at least 40 hours per week, or during the normal business hours of its state or academic Host Organization, throughout the year;
- (c) Develop working relationships with financial institutions, the investment community, professional associations, private consultants and small business groups; and
- (d) Maintain lists of private consultants at each service center.

Dated: July 10, 2000.

Johnnie L. Albertson,

Associate Administrator for Small Business Development Centers.

[Public Notice 3364]

Bureau for International Narcotics and Law Enforcement Affairs; Anti-Crime Training and Technical Assistance Program (ACTTA)

AGENCY: Office of Europe and the NIS; Bureau for International Narcotics and Law Enforcement Affairs, State.

ACTION: Notice.

SUMMARY: State Department's Bureau for International Narcotics and Law Enforcement Affairs (INL) developed the Anti-Crime Training and Technical Assistance Program (ACTTA) in 1994 to bring U.S. Federal law enforcement agencies together to provide training and technical assistance in consultation with their counterparts in Central and Eastern Europe. The goal of the program is to increase professionalism and develop the technical capabilities of law enforcement institutions to combat organized crime and promote rule of law while facilitating international law enforcement cooperation.

The ACTTA program continues to include the participation of non-Federal agencies (e.g., universities, private non-profit organizations) in the delivery of law enforcement training and technical assistance to Central and Eastern Europe. This non-Federal component of the ACTTA program has a timeframe of 2000-2002.

DATES: Strict deadlines for submission to the FY 2000 process are: Full proposals must be received at INL no later than Friday, August 18, 2000. Letters of intent are not required. We anticipate that review of full proposals will occur during August 2000. November 1, 2000 should be used as the proposed start date on proposals, unless otherwise directed by a program manager. Applicants should be notified of their status within 3 months, of submission dead line. All proposals must be submitted in accordance with the guidelines below. Failure to heed these guidelines may result in proposals being returned without review.

ADDRESSES: Proposals may be submitted to: U.S. Department of State, Bureau of International Narcotics and Law Enforcement Affairs, Navy Hill South, 2430 E Street NW., Washington, DC 20520, Attn: Linda Gower, Grants Officer.

FOR FURTHER INFORMATION CONTACT:

Maren Brooks at above address, TEL: 202-776-8555, FAX: 202-776-8703, email: m.brooks@state.gov or Linda Gower at above address, TEL: 202-776-8774, FAX: 202-776-8775.

Once the RFA deadline has passed, DOS staff may not discuss this competition in any way with applicants until the proposal review process has been completed.

SUPPLEMENTARY INFORMATION:

Funding Availability

This Program Announcement is for projects to be conducted by agencies/programs outside the Federal government, over a period of up to two years. Actual funding levels will depend upon availability of funds. Current plans are for \$400,000 for Slovakia to be available for the new (or renewing) ACTTA award. The funding instrument will be a grant or a cooperative agreement. Funding for non-U.S. institutions and contractual arrangements for services and products for delivery to INL are not available under this announcement. This program, though encouraged, does not require matching share. No proposal should exceed a total cost of \$400,000.

Program Authority

Authority: Section 635(b) of the Foreign Assistance Act, of 1961 as amended.

Program Objectives

The ACTTA program has been designed to provide assistance to foreign governments which will complement the training and assistance provided by US Federal agencies. All training and assistance of the ACTTA program should be focused on city or local police forces.

The program objectives of the ACTTA program are: (1) Combat the growing threat to U.S. national security posed by the broad range of organized crime activities, (2) help emerging democracies strengthen their national and law enforcement institutions to counter illegal criminal activities, and (3) help emerging democracies develop laws and prosecutorial frameworks to counter organized crime activities.

Program Priorities

The primary focus of this program is Slovakia.

All training conducted under this program must utilize a "training-of-trainers" format.

The FY 2000 ACTTA Program Announcement invites training and technical assistance program proposals for community policing methods and promoting ethnic relations in Slovakia.

Eligibility

Eligibility is limited to non-Federal agencies and organizations, and is encouraged with the objective of developing a strong partnership with

the state/local law enforcement community. Non-law enforcement proposers are urged to seek collaboration with state/local law enforcement institutions. Letters of support must be included in the proposal. Universities and non-profit organizations are included among entities eligible for funding under this announcement.

Evaluation Criteria

Consideration for financial assistance will be given to those proposals which address the Program Priorities identified above and meet the following evaluation criteria:

(1) *Relevance (20%)*: Importance and relevance to the goal and objectives of the ACTTA program identified above.

(2) *Methodology (25%)*: Adequacy of the proposed approach and activities, including development of relevant training curricula, training methods proposed, evaluation methodology, project milestones, and final products.

(3) *Readiness (25%)*: Relevant history and experience in conducting training/technical assistance in the program priority areas identified above, strength of proposed training/technical assistance or evaluation teams, past performance record of proposers.

(4) *Linkages (15%)*: Connections to existing law enforcement agencies in Central and Eastern European countries (especially Slovakia), letters of support, from those law enforcement agencies, in addition to previous training or related assistance experience in these countries.

(5) *Costs (15%)*: Adequacy/efficiency of the proposed resources and a percentage of cost sharing.

Selection Procedures

All proposals will be evaluated and ranked in accordance with the assigned weights of the above evaluation criteria by independent peer panel review composed of INL and other Federal USG agency law enforcement experts. The program managers will consider the panel's recommendations and evaluations in the final selection. Those ranked by the panel and program as not recommended for funding will not be given further consideration and will be notified of non-selection. For the proposal rated for possible funding, the program managers will: (a) Ascertain which proposals meet the objectives, fit the criteria posted, and do not duplicate other projects that are currently funded by INL, other USG agencies or foreign governments, or international (**Note:** proposals or elements that duplicate existing activities of USG agencies will not receive award. end note); (b) select the proposal to be funded; (c) determine

the total duration of funding for the proposal.

Unsatisfactory performance by a recipient under prior Federal awards may result in an application not being considered for funding.
