Annual Census of Patient Characteristics in State and County Mental Hospital Inpatient Services (0930-0093, Revision)—The Annual Census, which is conducted by SAMHSA's Center for Mental Health

Services (CMHS), is a complete enumeration of all State and county mental hospitals and collects aggregate information by age, gender, and diagnosis for each State on the number of additions during the year and resident patients who are physically present for 24 hours per day in the inpatient service at the end of the reporting year. First conducted in 1840, the Census has provided information

throughout the years that is not available from any other sources.

The Census is the primary means within CMHS for assessing de-institutionalization practices of State and county mental hospitals. Effective with the 2000 Census, two tables are being added to obtain patient race/ethnicity by diagnostic grouping for additions and resident patients. The annual burden estimate is shown in the table below.

	Number of respondents	Responses/respondent	Burden/response (hours)	Annual burden (hours)

Credit Watch Termination Initiative

AGENCY: Office of Assistant Secretary for Housing-Federal Housing Commissioner, HUD.

ACTION: Notice.

SUMMARY: This notice advises of the cause and effect of termination of Origination Approval Agreements taken by HUD's Federal Housing Administration against HUD-approved mortgagees through its Credit Watch Termination Initiative. This notice includes a list of mortgagees which have had their Origination Approval Agreements (Agreements) terminated.

FOR FURTHER INFORMATION CONTACT: The Quality Assurance Division, Office of Housing, Department of Housing and Urban Development, 451 Seventh St. SW, Room B133-P3214, Washington, DC 20410; telephone (202) 708-2830 (this is not a toll-free number). Persons with hearing or speech impairments may access that number via TTY by calling the Federal Information Relay Service at (800) 877-8339.

SUPPLEMENTARY INFORMATION: HUD has the authority to address deficiencies in the performance of lenders' loans as provided in the HUD mortgagee approval regulations at 24 CFR 202.3. On May 17, 1999 (64 FR 26769), HUD published a notice on its procedures for terminating origination approval agreements with FHA lenders and placement of FHA lenders on Credit Watch status (an evaluation period). In the May 17, 1999 notice, HUD advised that it would publish in the **Federal Register** a list of mortgagees which have had their Origination Approval Agreements terminated.

Termination of Origination Approval Agreement

Approval of a mortgagee by HUD/FHA to participate in FHA mortgage insurance programs includes an Agreement between HUD and the mortgagee. Under the Agreement, the mortgagee is authorized to originate single family mortgage loans and submit

them to FHA for insurance endorsement. The Agreement may be terminated on the basis of poor performance of FHA-insured mortgage loans originated by the mortgagee. The Termination of a mortgagee's Agreement is separate and apart from any action taken by HUD's Mortgagee Review Board under HUD's regulations at 24 CFR part 25.

Cause

HUD's regulations permit HUD to terminate the Agreement with any mortgagee having a default and claim rate for loans endorsed within the preceding 24 months that exceeds 200 percent of the default and claim rate within the geographic area served by a HUD field office, and also exceeds the national default and claim rate. For the third review period, HUD is only terminating the Agreement of mortgagees whose default and claim rate exceeds both the national rate and 300 percent of the field office rate.

Effect

Termination of the Agreement precludes that branch(s) of the mortgagee from originating FHA-insured single family mortgages within the area of the HUD field office(s) listed in this notice. Mortgagees authorized to purchase, hold, or service FHA insured mortgages may continue to do so.
