I. Selection Criteria

In awarding these grants, we will consider program design, organizational capacity, and budget and cost effectiveness. Applicants must propose clearly-defined and specific activities to increase the number of persons with disabilities in national service. We will give priority consideration to applicants that demonstrate a collaboration with disability organizations with expertise in disability issues and to applicants who are themselves disability organizations that have expertise in a range of disability areas.

After evaluating the overall quality of proposals and their responsiveness to the criteria noted above, we will seek to ensure that applications we select represent a portfolio that is: (1) Geographically diverse, including projects throughout the five geographical clusters as designated by the Corporation; (2) representative of the range of disabilities; and (3) representative of a range of models and approaches to involving individuals with disabilities in national service. The Corporation will make all final decisions concerning awards and may require revisions to the original grant

proposal in order to achieve the objectives under this Notice.

J. Notice of Intent To Submit

If you intend to submit an application, please send us a notice of intent to submit by August 31st addressed to Nancy Talbot, Corporation for National Service, 1201 New York Avenue, NW., Washington, DC 20525 or email your intent to ntalbot@cns.gov. The notice should include the name of your organization, address, contact person and phone number and should state that you plan to submit an application for outreach to individuals with a disability for the October 4th deadline.

If you do not send a notice of intent to submit, you may still submit an application. Conversely, if you send a notice of intent to submit, you are not obligated to submit an application. The notice of intent to submit simply helps us to plan more efficiently for our review.
