AGENCY: Corporation for National and Community Service.

ACTION: Notice of availability of funds.

SUMMARY: The Corporation for National and Community Service (the Corporation) announces the availability of approximately five million dollars to support outreach activities to increase the participation of persons with

SUPPLEMENTARY INFORMATION:

A. Background

The Corporation was established in 1993 to engage Americans of all ages and backgrounds in service to their communities. The Corporation's national service programs provide opportunities for participants to serve full-time and part-time, with or without stipend, as individuals or as part of a team. AmeriCorps*State, National, VISTA, and National Civilian Community Corps programs engage thousands of Americans on a full, or part-time basis, at over 1,000 locations to help communities meet their toughest challenges. Learn and Serve America integrates service into the academic life or experiences of over one million youth from kindergarten through higher

education in all 50 states. The National Senior Service Corps utilizes the skills, talents and experience of over 500,000 older Americans to help make communities stronger, safer, healthier, and smarter.

AmeriCorps*State and AmeriCorps*National programs, that involve over 40,000 Americans each year in result-driven community service, are grant programs managed by: (1) State commissions on national and community service that select and oversee programs operated by local organizations; (2) national non-profit organizations that act as "parent organizations" for program operating sites across the country; (3) Indian tribes; or (4) U.S. Territories. The Corporation also supports AmeriCorps*VISTA (Volunteers in Service to America) and AmeriCorps*NCCC (National Civilian Community Corps) programs. More than 6,000 AmeriCorps*VISTA members develop grassroots programs, mobilize resources and build capacity for service across the nation. AmeriCorps*NCCC provides the opportunity for approximately 1,000 individuals between the ages of 18 and 24 to participate each year in ten-month residential programs located mainly on inactive military bases. Learn and Serve America grants provide service-learning opportunities for youth through grants to state education agencies, community-based organizations, and higher education institutions and organizations, and Indian Tribes and Territories. The National Senior Service Corps operates through grants to nearly 1,300 local organizations for the Retired and Senior Volunteer (RSVP), Foster Grandparent (FGP) and Senior Companion (SCP) programs to provide service to their communities. For additional information on the national service programs supported by the Corporation, go to <http://www.nationalservice.org>.

B. Eligible Applicants

Eligible applicants for this funding are (1) Corporation-approved state commissions on national and community service, (2) state education agencies, (3) nonprofit organizations with expertise in disability issues proposing activities in at least three states, (4) tribal or territorial governments, and (5) regional, state-wide, or local consortia consisting of public or private nonprofit organizations (including state commissions, state education agencies or a consortium of projects working together within a region, state or locality).
