

Sitewide data set forth in the No Action Alternative define the baseline conditions used in the analysis of action alternatives for each site and are the data upon which incremental impacts for action alternatives were imposed to determine overall impacts.

The Department does not have a preferred alternative at this time, but a preferred alternative will be identified in the final PEIS. The environmental analysis in the PEIS, public comments, the findings of a separate cost study and a nonproliferation report that are being prepared concurrently with the PEIS, as well as other program and policy factors, will be considered in making a decision. The Record of Decision will be published in the **Federal Register** will be issued no sooner than 30 days after the U.S. Environmental Protection Agency's notice of availability of the final PEIS has been published in the **Federal Register**.

Issued in Washington, D.C., this 24th day of July 2000.

R. Shane Johnson,

Acting Associate Director for Technology and International Cooperation, Office of Nuclear Energy, Science and Technology.
