

in the Gulf of Mexico needs to be accurately measured, 3) random sampling of the commercial and recreational catches for age composition data is needed, 4) standardized stock assessment methodology needs to be developed that can accept area (state)-specific data and work with these within the context of a Gulf-wide stock assessment, 5) the area (state)-specific contributions of red drum to the offshore adult stock needs to be determined, 6) angler-release and shrimp-trawl bycatch mortality and the ages or lengths of caught-and-released fish needs to be determined, and 7) the length composition of the commercial catch needs to be measured.

The recommendations of the RDSAP will be reviewed by the Council at its next meeting held from September 11 to 14, 2000 in Mobile, AL.

Currently it is illegal to harvest or possess red drum in Federal waters.

A copy of the agenda can be obtained by contacting the Council (see **ADDRESSES**).

Although other non-emergency issues not on the agenda may come before the RDSAP for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal action during this meeting. Actions of the RDSAP will be restricted to those issues specifically identified in the agenda and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take action to address the emergency.

The listening station is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Anne Alford at the Council (see **ADDRESSES**) by August 7, 2000.

Dated: July 24, 2000.

Richard W. Surdi,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

[I.D. 072400D]

Mid-Atlantic Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and

Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meeting.

SUMMARY: The Mid-Atlantic Fishery Management Council and its Demersal Species Committee, meeting as a Council Committee of the Whole, together with the Atlantic States Marine Fisheries Commission's (ASMFC) Summer Flounder, Scup, and Black Sea Bass Board; the Surfclam and Ocean Quahog Committee, meeting as a Council Committee of the Whole; the Atlantic Mackerel, Squid, and Butterfish Committee, meeting as a Council Committee of the Whole; the Coastal Migratory Committee, meeting as a Council Committee of the Whole, together with the ASMFC's Bluefish Board, and the Executive Committee will hold a public meeting.

DATES: The meetings will be held on Monday, August 14, 2000 to Thursday, August 17, 2000. See **SUPPLEMENTARY INFORMATION** for specific dates and times.

ADDRESSES: The meeting will be held at the Sheraton Society Hill, One Dock Street, Philadelphia, PA. telephone: 215-238-6000.

Council address: Mid-Atlantic Fishery Management Council, 300 S. New Street, Dover, DE 19904, telephone 302-674-2331.

FOR FURTHER INFORMATION CONTACT: Daniel T. Furlong, Executive Director, Mid-Atlantic Fishery Management Council; telephone: 302-674-2331, ext. 19.

SUPPLEMENTARY INFORMATION: On Monday, August 14, the Council will meet from 9:30 a.m. until 5:00 p.m. On Tuesday, August 15, the Council will meet from 8:00 a.m. until 5:30 p.m. On Wednesday, August 16, the Council will meet from 8:00 a.m. until 5:00 p.m. On Thursday, August 17, the Executive Committee will meet from 8:00-9:00 a.m. The Council will meet from 9:00 a.m. until 1:00 p.m.

Agenda items for this meeting are: The swearing in of new and reappointed Council members; election of Council officers; report of the Stock Assessment Review Committee (SARC); scup management measures for 2001 (review Scup Monitoring Committee's recommendations regarding 2001 harvest level and commercial management measures, recommend 2001 harvest level and commercial management measures, review and discuss scup framework action modifying gear restricted areas); summer flounder management measures for 2001 (review and comment on NMFS August 1 action regarding 2000

quota, review Summer Flounder Monitoring Committee's recommendations regarding 2001 harvest level and commercial management measures, recommend 2001 harvest level and commercial management measures); black sea bass management measures for 2001 (review Black Sea Bass Monitoring Committee's recommendation regarding 2001 harvest level and commercial management measures, recommend 2001 harvest level and commercial management measures); bluefish management measures for 2001 (review the Bluefish Monitoring Committee's recommendations regarding 2001 harvest level and management measures, recommend bluefish harvest level and management measures for 2001); surfclam and ocean quahog management measures for 2001 (review staff recommendations for 2001 quotas and management measures, develop and recommend 2001 quota specifications for surfclam and ocean quahogs); Atlantic mackerel, squid and butterfish management measures (review Monitoring Committee's recommendations for 2001 quotas and management measures, develop and recommend 2001 quota specifications and management measures for Atlantic mackerel, squids, and butterfish); possible consideration of provisions for quota set asides for research and data collection for all species but surfclams and ocean quahogs; hear organizational and committee reports.

Although non-emergency issues not contained in this agenda may come before the Council for discussion, these issues may not be the subject of formal Council action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final actions to address such emergencies.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Joanna Davis at the Council (see **ADDRESSES**) at least 5 days prior to the meeting date.

Dated: July 24, 2000.
