[INS No. 2082-00]

Notice of Intent To Prepare a Draft Environmental Impact Statement for the Implementation of Border Barriers for Enforcement Initiatives in Arizona

AGENCY: Immigration and Naturalization Service (INS), Justice.

ACTION: Notice of Intent to Prepare a Draft Environmental Impact Statement (DEIS).

SUMMARY:

Proposed Action

In furtherance of its mission to gain and maintain control of the Arizona border, in 1994, the INS launched Operation Safeguard, an aggressive initiative that brought new agents, equipment, and technology to the Tucson Border Patrol Sector. The goal of Operation Safeguard is to heighten deterrence and improve control along the nearly 300 miles of international border in Arizona. The aim of INS' comprehensive border enforcement effort, which includes Operation Gatekeeper in California and Operations Hold the Line and Rio Grande in Texas, is to reduce the adverse effects of illegal

immigration and improve the quality of life for residents along the immediate border and throughout the nation. The INS will now expand Operation Safeguard by utilizing new resources and technology within the following Arizona Border Patrol stations: Ajo/Why, Casa Grande, Douglas, Naco, Nogales, Sonoita, Tucson, Wellton, Wilcox, and Yuma. The enhancements will bolster the efforts to ensure the safety of migrants, ranchers, and local residents, as well as provide increased safety of operations for agents. Enhancement will include, but not be limited to, additional Border Patrol personnel, support vehicles, air support, border barriers, lighting, border road improvements, and remote video surveillance systems.

Alternatives

In developing the DEIS, the options of no action and alternatives for Operation Safeguard will be fully and thoroughly examined.

Scoping Process

During the preparation of the DEIS, there will be numerous opportunities for public involvement in order to determine the environmental issues to be examined. The meetings will be well publicized and held at a time which will make it possible for the public and interested agencies or organizations to attend. Scoping meetings will be held in Douglas, Tucson, Yuma, and Nogales, Arizona. Notice of the Scoping meetings will be published in local newspapers prior to the meetings indicating the date, time, and location of each Scoping meeting.

DEIS Preparation

Public notice will be published in the **Federal Register** concerning the availability of the DEIS for public review and comment.

In accordance with section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of July 2000.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of section 222 of the Act must be met:

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision, thereof, have become totally or partially separated;

That sales or production, or both, of the firm or subdivision have decreased absolutely; and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.
