SUPPLEMENTARY INFORMATION:

Background

Pursuant to 19 U.S.C. 1505 and Treasury Decision 85-93, published in the **Federal Register** on May 29, 1985 (50 FR 21832), the interest rate paid on applicable overpayments or underpayments of Customs duties shall be in accordance with the Internal Revenue Code rate established under 26 U.S.C. 6621 and 6622. Section 6621 was amended (at paragraph (a)(1)(B) by the Internal Revenue Service Restructuring and Reform Act of 1998, Pub.L. 105-206, 112 Stat. 685) to provide different interest rates applicable to overpayments: one for corporations and one for non-corporations. The interest rate applicable to underpayments is not so bifurcated.

The interest rates are based on the short-term Federal rate and determined by the Internal Revenue Service (IRS) on behalf of the Secretary of the Treasury on a quarterly basis. The rates effective for a quarter are determined during the first-month period of the previous quarter.

In Revenue Ruling 2000-30 (*see*, 2000-25 IRB 1262, dated June 19, 2000), the IRS determined the rates of interest for the fourth quarter of fiscal year (FY) 2000 (the period of July 1-September 30, 2000). The interest rate paid to the Treasury for underpayments will be the short-term Federal rate (6%) plus three percentage points (3%) for a total of nine percent (9%). For corporate overpayments, the rate is the Federal short-term rate (6%) plus two percentage points (2%) for a total of eight percent (8%). For overpayments made by non-corporations, the rate is the Federal short-term rate (6%) plus three percentage points (3%) for a total of nine percent (9%). These interest rates are subject to change the first quarter of FY-2001 (the period of October 1-December 31, 2000).

For the convenience of the importing public and Customs personnel the following list of IRS interest rates used, covering the period from before July of 1974 to date, to calculate interest on overdue accounts and refunds of Customs duties, is published in summary format.
