#### **Stainless Steel Plate in Coils From Italy; Notice of Rescission of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of rescission of antidumping duty administrative review.

**SUMMARY:** In response to a request from Acciai Speciali Terni S.p.A. ("AST"), an Italian producer of stainless steel plate in coils, and Acciai Speciali Terni USA, Inc. ("AST USA"), collectively referred to as AST/AST USA, the Department of Commerce ("the Department") initiated an administrative review of the antidumping duty order on stainless steel plate in coils from Italy on July 7, 2000, for one manufacturer/exporter of the subject merchandise, AST/AST USA, for the period November 4, 1998 through April 30, 2000. The Department received a timely request for withdrawal on July 19, 2000, from AST/AST USA. This review has now been rescinded as a result of the withdrawal of the request for review by AST/AST USA, the only party which requested the review.

**EFFECTIVE DATE:** August 2, 2000.

In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 CFR part 351 (April 1999).

#### *Background*

On May 31, 2000 AST/AST USA submitted a request for an administrative review of the antidumping duty order on stainless steel plate in coils from Italy pursuant to the *Notice of Opportunity to Request Administrative Review*, 65 FR 31141 (May 16, 2000).

On July 7, 2000, the Department initiated a review of the antidumping duty order on stainless steel plate in coils from Italy. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocations in Part*, 65 FR 41942 (July 7, 2000). On July 19, 2000, AST/AST USA submitted a timely request for a withdrawal of its request for a review.

#### *Rescission of Review*

Pursuant to 19 CFR 351.213(d)(1) of the Department's regulations, the Department will allow a party that requests an administrative review to withdraw such request within 90 days of the date of publication of the notice of initiation of the administrative review. **AGENCY:** Import Administration, International Trade Administration, Department of Commerce

**ACTION:** Notice of Continuation of Antidumping Duty Orders: Stainless Steel Wire Rod from Brazil, France, and India.

**SUMMARY:** On February 3, 2000, the Department of Commerce ("the Department"), pursuant to sections

751(c) and 752 of the Tariff Act of 1930, as amended ("the Act"), determined that revocation of the antidumping duty orders on stainless steel wire rod from Brazil, France, and India, is likely to lead to continuation or recurrence of dumping (65 FR 5319; 5317; 5315).

On July 21, 2000, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act, determined that revocation of the antidumping duty orders on stainless steel wire rod from Brazil, France, and India would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (65 FR 45409). Therefore, pursuant to 19 CFR 351.218(f)(4), the Department is publishing notice of the continuation of the antidumping duty orders on stainless steel wire rod from Brazil, France, and India.
