DEPARTMENT OF STATE

[Public Notice 3380]

Bureau of Educational and Cultural Affairs; International Education and Cultural Activities Open Grant Program; Request for Proposals

SUMMARY: The Office of Citizen Exchanges, Bureau of Educational and Cultural Affairs of the U.S. Department of State, announces an open competition for an assistance award program. U.S. public or private non-profit organizations meeting the provisions described in IRS regulation 26 CFR 1.501c may apply to develop projects that link their international exchange interests with counterpart institutions/groups in ways supportive of the aims of the Bureau of Educational and Cultural Affairs.

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, as amended, Public Law 87-256, also known as the Fulbright Hays Act.

The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations. * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the

United States and the other countries of the world." Proposals for exchange projects that address issues of crucial importance to the United States and to proposed partner countries but that do not respond specifically to themes included below will also be considered. Programs and projects must conform with Bureau requirements and guidelines outlined in the Application Package. Bureau projects and programs are subject to the availability of funds.

Interested applicants should read the complete **Federal Register** announcement before addressing inquiries to the Office of Citizen Exchanges or submitting their proposals. Once the RFP deadline has passed, the Office of Citizen Exchanges may not discuss this competition in any way with applicants until after the Bureau program and project review process has been completed.

Announcement Name and Number: All communications concerning this announcement should refer to the Annual Open Grant Program. The announcement number is E/P-01-1. Please refer to title and number in all correspondence or telephone calls to the Office of Citizen Exchanges.

Deadline for Proposals: All copies must be received by the Bureau of Educational and Cultural Affairs by 5 p.m. Washington, DC time on Friday, October 27, 2000. Faxed documents will not be accepted at any time. Documents postmarked by the due date but received at a later date will not be accepted. It is the responsibility of each grant applicant to ensure that proposals are received by the above deadline. This action is effective from the publication date of this notice through October 27, 2000, for projects where activities will begin between March 1, 2001 and December 31, 2001.

This material must be provided in ASCII text (DOS) format with a maximum line length of 65 characters. The Bureau will transmit these files electronically to U.S. embassies overseas for their review, with the goal of reducing the time it takes to get the respective Embassy's comments for the Bureau's grants review process.

Diversity, Freedom and Democracy Guidelines

Pursuant to the Bureau's authorizing legislation, projects must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and physical challenges. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the 'Support for Diversity' section for specific suggestions on incorporating diversity into the total proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Proposals should account for advancement of this goal, in their program contents, to the full extent deemed feasible.
