DEPARTMENT OF COMMERCE

International Trade Administration

[A-549-813]

Notice of Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination Not To Revoke Order in Part: Canned Pineapple Fruit From Thailand

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

SUMMARY: In response to requests by producers/exporters of subject merchandise and by the petitioner, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on canned pineapple fruit (CPF) from Thailand. This review covers nine producers/exporters of the subject merchandise. The period of review (POR) is July 1, 1998, through June 30, 1999.

We preliminarily determine that sales have been made below normal value (NV). If these preliminary results are adopted in our final results, we will instruct the U.S. Customs Service to assess antidumping duties based on the difference between the export price (EP) or the constructed export price (CEP), as applicable, and the NV.

Furthermore, if these preliminary results are adopted in our final results of this administrative review, we do not intend to revoke the antidumping duty order with respect to Malee Sampran Public Co., Ltd., based on the fact that the company has not made sales at not less than normal value during each of the last three review periods. See *Preliminary Determination Not To Revoke* section of this notice.

Interested parties are invited to comment on the preliminary results. Parties who submit arguments are requested to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument and (3) a table of authorities. Further, we would appreciate it if parties submitting
