

1. Review research, on agricultural air quality, supported by Federal agencies;
2. Provide recommendations to the Secretary of Agriculture, regarding air quality and its relation to agriculture, based upon sound scientific findings;
3. Work to ensure intergovernmental (Federal, state and local) coordination in establishing policy for agriculture air quality and to avoid duplication of efforts;
4. Assist, to the extent practical, Federal agencies in correcting their erroneous data with respect to agricultural air quality; and
5. Ensure that air quality research related to agriculture receives adequate peer review and considers economic feasibility.

Task Force Membership

The task force will be made up of United States citizens and be composed of:

1. Individuals with expertise in agricultural air quality and/or agricultural production;
2. Representatives of institutions with expertise in the impacts of air quality on human health;
3. Representatives from agriculture interest groups having expertise in production agriculture;
4. Representatives from state or local agencies having expertise in agriculture and air quality; and
5. An atmospheric scientist.

Task force nominations must be in writing and provide the appropriate background documents required by the Department of Agriculture (USDA) policy, including Form AD-755. Previous nominees and current task force members who wish to be reappointed should update their nominations and provide a new background disclosure form (AD-755) to reaffirm their candidacy. Service as a task force member shall not constitute employment by, or the holding of an office of, the United States for the purpose of any Federal law.

A task force member shall serve for a term of 2 years. No individual may serve more than three 2-year terms as a member of the task force. Task force members shall receive no compensation from the NRCS for their service as task force members except as described below.

While away from home or regular place of business as a member of the task force, the member will be eligible for travel expenses paid by NRCS, including per diem in lieu of subsistence, at the same rate as a person employed intermittently in the government service under section 5703 of Title 5, United States Code.

Additional information about the Task Force on Agricultural Air Quality may be found on the World Wide Web at <http://www.nhq.nrcs.usda.gov/faca/aaqtf.html>.

Notice of Proposed Changes to section IV of the Field Office Technical Guide (FOTG) of the Natural Resources Conservation Service in Indiana

AGENCY: Natural Resources Conservation Service (NRCS).

ACTION: Notice of availability of proposed changes in section IV of the FOTG of the NRCS in Indiana for review and comment.

SUMMARY: It is the intention of NRCS in Indiana to issue a revised conservation practice standard in section IV of the FOTG. The revised standard is Wetland Restoration (Code 657). This practice may be used in conservation systems that treat highly erodible land.

DATES: Comments will be received on or before September 8, 2000.

ADDRESSES: Address all requests and comments to Jane E. Hardisty, State Conservationist, Natural Resources Conservation Service (NRCS), 6013 Lakeside Blvd., Indianapolis, Indiana

46278. Copies of this standard will be made available upon written request. You may submit electronic requests and comments to joe.gasper@in.usda.gov.

FOR FURTHER INFORMATION CONTACT: Jane E. Hardisty, 317-290-3200.

SUPPLEMENTARY INFORMATION: Section 343 of the Federal Agriculture Improvement and Reform Act of 1996 states that revisions made after enactment of the law, to NRCS state technical guides used to carry out highly erodible land and wetland provisions of the law, shall be made available for public review and comment. For the next 30 days, the NRCS in Indiana will receive comments relative to the proposed changes. Following that period, a determination will be made by the NRCS in Indiana regarding disposition of those comments and a final determination of changes will be made.

Dated: July 27, 2000.

Jane E. Hardisty,

Acting State Conservationist, Indianapolis, Indiana.

Economics and Statistics Administration

Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Agency: Economics and Statistics Administration (ESA), the Department of Commerce.

Title: Customer Satisfaction Surveys.

Form Number(s): None.

OMB Approval Number: None.

Type of Request: Regular submission.

Burden Hours: 800.

Number of Respondents: 4,000.

Average Hours Per Response: 12 minutes.

Needs and Uses: This information collection is necessary to help STAT-USA fulfill its mission of disseminating economic and statistical information to the business community and individual users. STAT-USA plans to survey its current customer base annually with a 25-question Customer Satisfaction Survey. STAT-USA plans to use a number of survey formats including mail, fax, on-line, and paper in order to

ensure a high response rate. STAT-USA believes that regular communication with its customers, specifically feedback from the survey, will enable it to deliver its goods and services in the most user-friendly, economical and efficient manner. Only by knowing its customer base and its needs can STAT-USA continue to deliver the highest quality of collected economic and statistical information.

Affected Public: Business and individual data users.

Frequency: Annually.

Respondent's Obligation: Voluntary.

OMB Desk Office: Paul Bugg

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, Room 6086, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at lengelme@doc.gov).

Census Bureau

Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Census Bureau, the Department of Commerce.

Title: Current Population Survey—November Voting and Registration Supplement.

Form Number(s): None (automated survey instrument).

Agency Approval Number: 0607-0466.

Type of Request: Reinstatement, without change, of an expired collection.

Burden: 1,200 hours.

Number of Respondents: 48,000.

Avg Hours Per Response: 1.5 minutes.

Needs and Uses: The Census Bureau requests Office of Management and

Budget (OMB) approval to continue the biennial collection of data concerning voting and registration. We will collect the data as part of the November Current Population Survey (CPS), through a series of supplemental items. The supplement questions will be identical to those asked in the November 1998 supplement. Voting and registration data have been collected since 1964 on the CPS, yielding statistics on voter (and nonvoter) characteristics, and current voter trends in each Presidential or Congressional election.

Federal, state, and local election officials; college institutions; political party committees; research groups; and other private organizations use the voting and registration data collected in the November supplement. These data enable policymakers to keep issues up-to-date such as changes in participation in the election process by demographic characteristics, age, sex, race, ethnicity, and educational attainment. Election officials use these data to formulate policies relating to the voting and registration process. Data obtained on duration of residence will allow policymakers and researchers to better determine the relationships between other demographic characteristics and voting behavior.

Affected Public: Individuals or households.

Frequency: Biennially.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3129, Department of Commerce, room 6086, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at LEngelme@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: August 3, 2000.

National Oceanic and Atmospheric Administration

[I.D. 072700D]

Availability of an Environmental Assessment and Receipt of an Application for Incidental Take Permits for the Roseton and Danskammer Point Generating Stations Conservation Plan, Hudson River, New York

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of application and availability for public comments.

SUMMARY: This notice advises the public that Central Hudson Gas & Electric Corporation (CHGE) has submitted an application to the National Marine Fisheries Service (NMFS) for an incidental take permit (Permit) pursuant to the Endangered Species Act of 1973, as amended (Act). As required by the Act, the applicant has also prepared a Conservation Plan (Plan) designed to minimize and mitigate any such take of endangered or threatened species. The proposed permit would authorize the take of one endangered species: shortnose sturgeon (*Acipenser brevirostrum*). The duration of the proposed Permit and Plan is 15 years.

NMFS also announces the availability of a draft Environmental Assessment (EA) and Implementing Agreement for this Permit application. The NMFS is providing this notice in order to allow other agencies and the public an opportunity to review and comment on these documents.

DATES: Written comments on the Conservation Plan, EA, and Implementing Agreement must be received from interested parties no later than September 8, 2000.

ADDRESSES: Written comments on any of the new applications or modification requests should be sent to Mary Colligan, Endangered Species Coordinator, NMFS Northeast Region, One Blackburn Drive, Gloucester, MA 01930. Comments may also be sent via fax. Comments will not be accepted if submitted via e-mail or the Internet.

Comments and materials received will also be available for public inspection, by appointment, during regular business hours by calling 978-281-9116. The documents are also available electronically on the World Wide Web at [http://www.nmfs.noaa.gov/prot_res/permits/ESApermit.html].
