DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

Notice is hereby given that, on July 24, 2000, a Consent Decree in *United States* v. *Lloyd Manufacturing Corporation,* Civil Action No. CA–00–363–ML, was lodged in the United States District Court for the District of Rhode Island.

In this action the United States sought injunctive relief and civil penalties under section 113(b) of the Clean Air Act (''CAA''), 42 U.S.C. 74139(b) against Lloyd Manufacturing Corporation (''Lloyd''). The alleged violations include failure to obtain a permit required by the CAA, failure to install pollution control devices required by the CAA, and the failure to use low emissions coatings as required by the CAA at the fabric coating facility owned and operated by Lloyd in Warren, Rhode Island. The Consent Decree resolves all of these claims. The Consent Decree requires Lloyd to comply with the Clean Air Act, to pay a civil penalty to the United States of $240,000, and to purchase approximately 247 tons of air emission reduction credits costing a total of between $148,200 and $172,900 as restitution for its past excess emissions.

The Department of Justice will accept written comments relating to the proposed Consent Decree for thirty (30) days from the date of publication of this notice. Please address comments to the Assistant Attorney General, Environment and Natural Resources Division, Department of Justice, P.O. Box 7611, Ben Franklin Station, Washington, D.C. 20044 and refer to—*United States* v. *Lloyd Manufacturing Corporation,* Civil Action No. CA–00–363–ML (D. R.I.), DJ # 90–5–2–1–06624.

Copies of the proposed Consent Decree may be examined at the Office of the United States Attorney for the District of Rhode Island, Assistant United States Attorney, Fleet Center, 8th Floor, 50 Kennedy Plaza, Providence, Rhode Island 02903; at the U.S. Environmental Protection Agency, Region I, 1 Congress Street, Suite 1100, Boston, Massachusetts 02114. A copy of the proposed Consent Decree may also be obtained by mail at the Department of Justice Consent Decree Library, P.O. Box 7611, Washington, DC 20044. When requesting a copy of the proposed Consent Decree by mail, please enclose a check in the amount of $5.00 (twenty-five cents per page reproduction costs) payable to the ''Consent Decree Library.''

DEPARTMENT OF JUSTICE

Notice of Lodging of a Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act

Notice is hereby given that a proposed consent decree in *United States* v. *Motorola, Inc., Honeywell International, Inc., and City of Phoenix, Arizona,* Civil No. 98–2049 PHX–RCB, was lodged on July 25, 2000, with the United States District Court for the District of Arizona (''Motorola Decree''). The proposed consent Decree would resolve certain claims under Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. 9607, as amended, brought against defendants Motorola, Incorporated, Honeywell International, Inc., and the city of Phoenix, Arizona (collectively ''Settling Defendants''), to recover response costs incurred by the Environmental Protection Agency in connection with the release of hazardous substances at Operable Units 1 and 2 of the Motorola 52nd Street Superfund Site in Phoenix, Arizona. The settlers are owners and/or operators of Operable Units 1 and 2 of the Site. Under the proposed Consent Decree, the Settling Defendants will pay $682,500 to the Hazardous Substances Superfund to reimburse the United States for Past Response Costs, 80% of Interim Response Costs, and all Future Oversight Costs. In addition to the proposed Consent Decree, Motorola and Honeywell are completing construction of the interim groundwater remedy for Operable Unit 2 of the site and will perform the first two years of operation and maintenance of the interim remedy.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, Department of Justice, P.O. Box 7611, Washington, D.C. 20530, and should refer to *United States* v. *Motorola, Inc., et al.,* D. AZ, Civil No. 98–2049 PHX–RCB, DOJ Ref. #90–11–3–06000.

The Consent Decree may be examined at the Region 9 Office of the Environmental Protection Agency, 75 Hawthorne Street, San Francisco, CA 94105 and the United States Attorney's Office for the District of Arizona, 230 N. First Avenue, Room 4000, Phoenix, AZ 85025 c/o Assistant U.S. Attorney Ronald Gallegos. A copy of the proposed consent decree may be obtained by mail from the Consent Decree Library, Post Office Box 7611, Washington, DC 20044. In requesting copies please refer to the referenced case and enclose a check in the amount of $11.25 (25 cents per page reproduction costs), payable to the Consent Decree Library.

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation and Liability Act

In accordance with Department of Justice policy codified at 28 CFR 50.7 and Section 122 of CERCLA, 42 U.S.C. 9622, notice is hereby given that on July 25, 2000, three proposed Consent Decrees in *United States* v. *Raymond C. Wolf, et al.,* Civ. Action No. 1:99–CV–01032, were lodged with the United States District Court for the Northern District of Ohio. The three proposed Consent Decrees resolve the claims of the United States for recovery of response costs incurred by the United States in connection with the Lincoln Fields Superfund Removal Site (''Site'') in Madison Township, Ohio under section 107(a) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (''CERCLA''), as amended, 42 U.S.C. 9607(a), against Raymond C. Wolf and Joanne R. Wolf (''the Wolfs''), Charles R. Sell and Wanda J. Sell (''the Sells''), and Dale M. Eberts (''Eberts'') (collectively, ''Settling Defendants''). Each of the Settling Defendants are owners and operators of the Site, a portion of which was operated for twenty years as a dry cleaning business. EPA incurred approximately $12.3 million in
