The Department of Commerce has submitted to the Office of Management and Budget (OMB) for the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Southwest Region Permit Family of Forms.

Form Number(s): None.

OMB Approval Number: 0648-0204.

Type of Request: Regular submission.

Burden Hours: 245.

Number of Respondents: 364.

Average Hours Per Response: 30 minutes for a permit application for the Pacific pelagic, crustacean, precious coral, and coastal pelagic fisheries; 1 hour for a permit application for the bottomfish and seamount groundfish fisheries; 2 hours for an exempted fishery application; 2 hours for an appeal of Pacific pelagic permit action or a bottomfish and seamount groundfish permit action; and 1 hour for

additional permit application information in the coastal pelagics fishery.

Needs and Uses: Permits are required for persons to participate in Federally-managed fisheries in the western Pacific region and off the West Coast. The permit application forms provide basic information about permit holders and the vessels and gear being used. This information is important for understanding the nature of the fisheries and provides a link to participants. It also aids in the enforcement of regulations.

Affected Public: Business and other for-profit organizations, and individuals.

Continuation of Antidumping Duty Order: Cased Pencils From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Continuation of Antidumping Duty Order: Cased Pencils from the People's Republic of China ("PRC").

SUMMARY: On July 5, 2000, the Department of Commerce ("the Department"), pursuant to sections 751(c) and 752 of the Tariff Act of 1930, as amended ("the Act"), determined

that revocation of the antidumping duty order on cased pencils from the PRC, is likely to lead to continuation or recurrence of dumping. *See Certain Cased Pencils from the People's Republic of China; Final Results of Expedited Sunset Review of Antidumping Order*, 65 FR 41431 (July 5, 2000). On July 28, 2000, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act, determined that revocation of the antidumping duty order on cased pencils from the PRC would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. *See Cased Pencils from China*, 65 FR 45998 (July 26, 2000). Therefore, pursuant to 19 CFR 351.218(f)(4), the Department is publishing notice of the continuation of the antidumping duty order on cased pencils from the PRC.

EFFECTIVE DATE: August 10, 2000.

FOR FURTHER INFORMATION CONTACT: Kathryn B. McCormick or James P. Maeder, Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW, Washington, D.C. 20230; telephone: (202) 482-1930 or (202) 482-3330, respectively.

SUPPLEMENTARY INFORMATION:

Background:

On December 1, 1999, the Department initiated, and the Commission instituted, sunset reviews (64 FR 67247 and 64 FR 67304, respectively) of the antidumping duty order on cased pencils from the PRC, pursuant to section 751(c) of the Act. As a result of its review, the Department found on July 5, 2000 that revocation of the antidumping duty order on cased pencils from the PRC would likely lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margins likely to prevail were the order revoked. *See Certain Cased Pencils from the People's Republic of China; Final Results of Expedited Sunset Review of Antidumping Order*, 65 FR 41431 (July 5, 2000).

On July 5, 2000, the Commission determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on cased pencils from the PRC would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. *See Cased Pencils from China*, 65 FR 45998 (July 26, 2000) and

USITC Publication 3328 (July 2000), Investigation No. 731-TA-669 (Review).

Scope:

The products covered by this order are certain cased pencils of any shape or dimension which are writing and/or drawing instruments that feature cores of graphite or other materials, encased in wood and/or man-made materials, whether or not decorated and whether or not tipped (e.g., with erasers, etc.) in any fashion, and either sharpened or unsharpened. The pencils subject to this order are classified under subheading 9609.10.00 of the Harmonized Tariff Schedules of the United States ("HTSUS").

Specifically excluded from the scope of this order are mechanical pencils, cosmetic pencils, pens, non-cased crayons (wax), pastels, charcoals, and chalks.¹ Although the HTSUS subheadings are provided for convenience and customs purposes, the written description is dispositive.

Determination:

As a result of the determinations by the Department and the Commission that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on cased pencils from the PRC. The Department will instruct the U.S. Customs Service to continue to collect antidumping duty deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of this order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to section 751(c)(2) and 751(c)(6) of the Act, the Department intends to initiate the next five-year review of this order not later than July 2005.

Dated: August 4, 2000.

Acting Assistant Secretary for Import Administration.
