The Department shall determine, and Customs shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b), we have calculated exporter/importer-specific assessment rates. With respect to both export price and constructed export price sales, we divided the total dumping margins for the reviewed sales by the total entered value of those reviewed sales for each importer. We will direct Customs to assess the resulting percentage margins against the entered Customs values for the subject merchandise on each of that importer’s entries under the relevant order during the review period.

**Cash Deposit Requirements**

The following deposit requirements will be effective upon publication of this notice of final results of administrative review and new shipper review for all shipments of stainless steel bar from India entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for the reviewed companies will be the rates shown above except that, for firms whose weighted-average margins are less than 0.5 percent and, therefore, de minimis, the Department shall require no deposit of estimated antidumping duties; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in these reviews, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the most recent rate established for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 12.45 percent. This rate is the “all others” rate from the LTFV investigation (50 FR 66915, 66921, December 28, 1994). These deposit requirements will remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (“APOs”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i)(1) of the Act.

**SUMMARY:** On July 31, 2000, in response to a request made by Wafangdian Bearing Group Corp. Import & Export Company, Zhejiang Machinery Import & Export Corp., Wanxiang Group Corporation, China National Machinery Import & Export Corporation, Liaoning MEC Group Co., Ltd., Luoyang Bearing Corp. (Group), Premier Bearing & Equipment Ltd., Tianshui Hailin Import and Export Corporation, Zhejiang Changshang Changhe Bearing Corp., and Weihai Machinery Holding (Group) Co., Ltd. and the petitioners, The Timken Company, the Department of Commerce published the notice of initiation of an antidumping duty administrative review on Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People’s Republic of China, for the period June 1, 1999, through May 31, 2000. This notice of initiation inadvertently omitted several companies for which a request for review had been made, and also included several companies for which a request for review had not been made. amended ("the Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). Background

On June 26, 2000, Liaoning MEC Group Co., Ltd., Premier Bearing & Equipment Ltd., Tianshui Hailin Import and Export Corporation, Weihai Machinery Holding (Group) Co., Ltd. ("Weihai"), Wanxiang Group Corporation, and China National Machinery Import & Export Corporation requested administrative reviews for the period June 1, 1999, through May 31, 2000 ("POR"). On June 30, 2000, Zhejiang Machinery Import & Export Corp. ("ZMTC"), Wafangdian Bearing Group Corp. Import & Export Company ("Wafangdian"), Luoyang Bearing Corp. (Group) ("Luoyang"), and Zhejiang Changshang Changhe Bearing Corp. ("ZCCC"), also requested administrative reviews for the POR. On June 30, 2000, the petitioner, The Timken Company, also requested that the Department conduct an administrative review for the POR. On July 31, 2000, the Department published a notice of initiation of an antidumping duty administrative review on Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People’s Republic of China, for the period June 1, 1999 through May 31, 2000. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part, 65 FR 46687 (July 31, 2000).

Amended Notice of Initiation

In its July 31, 2000, notice of initiation, the Department inadvertently omitted several companies from the notice of initiation for this proceeding. Because the Department has received timely requests, in accordance with § 351.213(b) of the Department’s regulations, for administrative reviews from the petitioner and all companies requesting reviews, as noted above, we are amending our July 31, 2000, notice of initiation to include the following companies in accordance with § 351.221(i)(1) of the Department’s regulations: Weihai, Luoyang, ZCCC, Wafangdian, ZMTC, China National Bearing Joint Imp. & Exp. Corp. (CBEIC), Dalian Machine Tools Parts Factory, Zhejiang Xinchang Bearing Factory, Hebei Rolling Bearing, Hebei Rolling Mill Bearing Group Company, Hunan Hengyang Bearing Factory, China Machine-Building International Corp., Distribution Services Ltd. (Hong Kong), and Distribution Services Ltd. (Shanghai).

Because we have found it necessary to amend the original notice of initiation, the date of initiation for all companies covered by this review, including those companies for which an administrative review was initiated pursuant to the original July 31, 2000, notice, will be the date of publication of this notice.

Recission in Part of Review

This partial rescission of the 1999–2000 administrative review is only applicable to those companies specifically named above, and does not apply to companies with similar names or companies for which a review was initiated pursuant to the original notice of initiation that are not specifically excluded above by the name under which the review was requested by the petitioner and respondents.

This notice is issued in accordance with section 777(i)(1) of the Act.
