

the United States. Therefore, the effect of this final rule is a continued restriction on the importation of ruminants that have been in Denmark and meat, meat products, and certain other products of ruminants that have been in Denmark. This final rule is necessary in order to update Denmark's disease status regarding bovine spongiform encephalopathy.

EFFECTIVE DATE: September 25, 2000.

SUPPLEMENTARY INFORMATION:

Background

The regulations in 9 CFR parts 93, 94, 95, and 96 (referred to below as the regulations) govern the importation of certain animals, birds, poultry, meat, other animal products and byproducts, hay, and straw into the United States in order to prevent the introduction of various animal diseases, including bovine spongiform encephalopathy (BSE).

BSE is a neurological disease of bovine animals and other ruminants and is not known to exist in the United States.

It appears that BSE is primarily spread through the use of ruminant feed containing protein and other products from ruminants infected with BSE. Therefore, BSE could become established in the United States if materials carrying the BSE agent, such as certain meat, animal products, and animal byproducts from ruminants in regions in which BSE exists, or in which there is an undue risk of introducing BSE into the United States, are imported into the United States and are fed to ruminants in the United States. BSE could also become established in the United States if ruminants from regions in which BSE exists, or ruminants from regions in which there is an undue risk of introducing BSE into the United States, are imported into the United States.

Denmark has been listed in § 94.18(a)(2) as a region that presents an undue risk of introducing BSE into the United States. However, on February 25, 2000, Denmark's Ministry of Agriculture confirmed a case of BSE in a native-born animal. Therefore, on May 17, 2000, we published in the **Federal Register** (65 FR 31290-31291, Docket 00-030-1) a proposal to amend the regulations by adding Denmark to the list in § 94.18(a)(1) of regions where BSE

exists. Regions on both lists are subject to the same restrictions on the importation of ruminants, meat, meat products, and certain other products of ruminants, into the United States.

We solicited comments concerning our proposal for 60 days ending July 17, 2000. We did not receive any comments. Therefore, for the reasons given in the proposed rule, we are adopting the proposed rule as a final rule, without change.

Executive Order 12866 and Regulatory Flexibility Act

This proposed rule has been reviewed under Executive Order 12866. For this action, the Office of Management and Budget has waived its review process required by Executive Order 12866.

We are amending the regulations by adding Denmark to the list of regions where BSE exists because the disease has been detected in a native-born animal in that region.

Denmark has been listed among the regions that present an undue risk of introducing BSE into the United States. Regardless of which of the two lists a region is on, the same restrictions apply to the importation of ruminants, meat, meat products, and certain other products of ruminants that have been in that region. Therefore, this final rule will not result in any change in the rules that apply to the importation of ruminants, meat, meat products, or other products of ruminants that have been in Denmark.

Under these circumstances, the Administrator of the Animal and Plant Health Inspection Service has determined that this action will not have a significant impact on a substantial number of small entities.

Executive Order 12988

This rule has been reviewed under Executive Order 12988, Civil Justice Reform. This rule: (1) Preempts all State and local laws that are inconsistent with this rule; (2) has no retroactive effect; and (3) does not require administrative proceedings before parties may file suit in court challenging this rule.

Paperwork Reduction Act

This final rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

FEDERAL RESERVE SYSTEM

12 CFR Part 220

[Regulation T]

Credit by Brokers and Dealers; List of Foreign Margin Stocks

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Final rule; determination of applicability of regulations.

SUMMARY: The List of Foreign Margin Stocks (Foreign List) is composed of certain foreign equity securities that qualify as *margin securities* under Regulation T. The Foreign List is published twice a year by the Board.

EFFECTIVE DATE: September 1, 2000.

FOR FURTHER INFORMATION CONTACT: Peggy Wolfrum, Securities Regulation Analyst, Division of Banking Supervision and Regulation, (202) 452-2837, or Scott Holz, Senior Counsel, Legal Division, (202) 452-2966, Board of Governors of the Federal Reserve System, Washington, DC 20551. For the hearing impaired *only*, contact Janice Simms, Telecommunications Device for the Deaf (TDD) at (202) 872-4984.

SUPPLEMENTARY INFORMATION: Listed below is a complete edition of the Board's Foreign List. The Foreign List was last published on February 24, 2000 (65 FR 9207), and became effective March 1, 2000.

The Foreign List is composed of foreign equity securities that qualify as margin securities under Regulation T by meeting the requirements of § 220.11(c) and (d). Additional foreign securities qualify as margin securities if they are deemed by the Securities and Exchange Commission (SEC) to have a "ready market" under SEC Rule 15c3-1 (17 CFR 240.15c3-1) or a "no-action" position issued thereunder. This includes all foreign stocks in the FTSE World Index Series.

It is unlawful for any creditor to make, or cause to be made, any representation to the effect that the inclusion of a security on the Foreign List is evidence that the Board or the SEC has in any way passed upon the merits of, or given approval to, such security or any transactions therein. Any statement in an advertisement or other similar communication containing a reference to the Board in connection with the Foreign List or the stocks thereon shall be an unlawful representation.

There are no additions to the Foreign List. The stock of GEHE AG from Germany is being removed because it appears on the FTSE World Index Series and continued inclusion on the Foreign List would be redundant. The stock of ASATSU INC. from Japan has been changed to ASATSU-DK INC. The following two Japanese stocks are being removed because they no longer substantially meet the provisions of § 220.11(d) of Regulation T:

SURUGA BANK LTD.

Public Comment and Deferred Effective Date

The requirements of 5 U.S.C. 553 with respect to notice and public participation were not followed in connection with the issuance of this amendment due to the objective character of the criteria for inclusion and continued inclusion on the Foreign List specified in § 220.11(c) and (d). No additional useful information would be gained by public participation. The full requirements of 5 U.S.C. 553 with respect to deferred effective date have not been followed in connection with the issuance of this amendment because the Board finds that it is in the public interest to facilitate investment and credit decisions based in whole or in

part upon the composition of the Foreign List as soon as possible. The Board has responded to a request by the public and allowed approximately a one-week delay before the Foreign List is effective.

List of Subjects in 12 CFR Part 220

Brokers, Credit, Margin, Margin requirements, Investments, Reporting and recordkeeping requirements, Securities.

Accordingly, pursuant to the authority of sections 7 and 23 of the Securities Exchange Act of 1934, as amended (15 U.S.C. 78g and 78w), and in accordance with 12 CFR 220.2 and 220.11, there is set forth below a complete edition of the Foreign List.

EMERGENCY STEEL GUARANTEE LOAN BOARD

13 CFR Part 400

RIN 3003-ZA00

Emergency Steel Guarantee Loan Program; Participation in Unguaranteed Tranche

AGENCY: Emergency Steel Guarantee Loan Board.

ACTION: Final rule.

SUMMARY: The Emergency Steel Guarantee Loan Board (Board) is amending the regulations governing the Emergency Steel Guarantee Loan Program (Program). These changes are meant to clarify the regulations applicable to certain types of loan participations. The intent of these changes is to make explicit the Board's position with respect to participations in wholly unguaranteed tranches of loans that are guaranteed under the Program.

DATES: This rule is effective August 24, 2000.

FOR FURTHER INFORMATION CONTACT:

Marguerite S. Owen, General Counsel, Emergency Steel Guarantee Loan Board, U.S. Department of Commerce, Room H2500, Washington, D.C. 20230, (202) 219-0584.

SUPPLEMENTARY INFORMATION: On October 27, 1999, the Board published a final rule codifying at Chapter IV, Title 13, Code of Federal Regulations (CFR), regulations implementing the Program, as established in Chapter 1 of Public Law 106-51, the Emergency Steel Loan Guarantee Act of 1999 (64 FR 57932).

Section 400.210 sets forth terms and conditions governing assignment or transfer of loans and interests in loans between and among eligible lenders. This rule adds a new § 400.214 to make clear that certain types of participations in unguaranteed portions of loans are not transfers or assignments to a lender under the regulations, though a lender can participate in an unguaranteed portion of a loan. Further, this rule sets forth the terms and conditions governing participation in an unguaranteed tranche of a loan guaranteed under the Program. It does so by describing categories of entities that may act as participants without Board approval and providing that other entities may act as participants with Board approval. This rule also contains a requirement for a minimum percentage of the unguaranteed portion of a guaranteed loan that a lender is required to hold without participation.

Administrative Law Requirements

Executive Order 12866

This final rule has been determined not to be significant for purposes of Executive Order 12866.

Administrative Procedure Act

This rule is exempt from the rulemaking requirements contained in 5 U.S.C. 553 pursuant to authority contained in 5 U.S.C. 553(a)(2) as it involves a matter relating to loans. As such, prior notice and an opportunity for public comment and a delay in effective date otherwise required under 5 U.S.C. 553 are inapplicable to this rule.

Regulatory Flexibility Act

Because this rule is not subject to a requirement to provide prior notice and an opportunity for public comment pursuant to 5 U.S.C. 553, or any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, are inapplicable.

Congressional Review Act

This rule has been determined to be not major for purposes of the

Congressional Review Act, 5 U.S.C. 801 *et seq.*

Intergovernmental Review

No intergovernmental consultations with State and local officials are required because the rule is not subject to the provisions of Executive Order 12372 or Executive Order 12875.

Unfunded Mandates Reform Act of 1995

This rule contains no Federal mandates, as that term is defined in the Unfunded Mandates Reform Act, on State, local and tribal governments or the private sector.

Executive Order 13132

This rule does not contain policies having federalism implications requiring preparation of a Federalism Summary Impact Statement.

Executive Order 12630

This rule does not contain policies that have takings implications.
