

proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Under PCX's Minor Rule Plan, Rule 10.13, a Floor Official and/or an Options Order Book Official may issue a Floor Citation to any member, member organization or person associated with a member or member organization when it appears that a Minor Rule Plan violation has occurred. The Exchange seeks to amend Rule 10.13 to allow any PCX Regulatory Staff designated by the Exchange to have the ability to issue such floor citations.

Currently under PCX Rule 10.4(a) "Any standing committee designated by the Board of Governors to review disciplinary proceedings, and Exchange Regulatory Staff designated by the Exchange, has the authority to determine whether there is probable cause for finding that a violation within the disciplinary jurisdiction of the Exchange has occurred and that further proceedings are warranted." The Exchange believes that amending the Plan to grant any designated Exchange Regulatory Staff the ability to issue citations is consistent with the Act and the PCX Rules. The Exchange notes that the issuance of a floor citation does not constitute a finding. Rather, similar to other PCX disciplinary rules, a floor citation merely serves to initiate an investigation. Each floor citation issued will continue to be reviewed by Exchange Surveillance Staff for accuracy and validity. The Exchange believes that this will allow the Regulatory Staff the ability to effectively and efficiently monitor trading crowds and floor trading activity. The Exchange notes that this rule amendment in no way changes PCX Rule 10.14, "Summary Sanction Procedure."

2. Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)⁶ of the Act, in general, and furthers the objectives of Section 6(b)(5)⁷, in particular, in that it is designed to promote just and equitable principles of trade.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)⁸ of the Act and subparagraph (f)(3) of Rule 19b-4⁹ under the Act because it is concerned solely with the administration of the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the PCX. All submissions should refer to File No. SR-PCX-00-28 and should be submitted by September 19, 2000.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On September 30, 1999, the Commission approved a one-year pilot program for the evaluation of the Exchange's AOR program.³ The filing was intended to establish a new procedure to facilitate the execution of options contracts orders at the opening by providing an electronic means of establishing a single price opening. In its order the Commission stated that it expected the Exchange to study the issues related to the Commission's concerns during the pilot period and to report back to the Commission at least sixty days prior to seeking permanent approval of AOR.

The Exchange is requesting a one-year extension of the pilot program so that it will have an opportunity to continue reviewing and evaluating the program in order to properly address the Commission's concerns before seeking permanent approval. The Exchange believes that this program is operating successfully and without any problems, and on that basis, the Exchange believes that a one-year extension of the program is warranted. At this time, the Exchange is not seeking to modify the pilot program.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b)⁴ of the Act, in general, and furthers the objectives of section 6(b)(5),⁵ in particular, in that it is designed to promote just and equitable principles of trade.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(6)⁷ thereunder because the proposal: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative prior to 30 days after the date of filing or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of the filing of the proposed rule change as required by Rule 19b-4(f)(6).⁸ At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 450 Fifth Street, NW., Washington, DC 20549. Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Philadelphia Stock Exchange, Inc., Relating to an Options Specialist Shortfall Fee

August 23, 2000.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 24, 2000, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt a new transaction fee—an options specialist "shortfall fee"—of \$.35 per contract, to be paid by the specialist trading any Top 120 Option if at least 10 percent of the total national monthly contract volume ("total volume") for such Top 120 Option is not effected on the Phlx in that month.

A Top 120 Option is defined by the proposal as one of the 120 most actively traded equity options in terms of the total number of contracts in that option that were traded nationally for a specified month—based on volume reflected by The Options Clearing Corporation ("OCC")—and which was listed on the Phlx after January 1, 1997.³

At the end of each trading month, the total number of contracts executed on

³ The Phlx intends to divide by two the total volume amount reported by OCC, which reflects both sides of an executed transaction, thus avoiding one trade being counted twice for purposes of determining overall volume.
