

The Exchange believes that it is necessary to continue to attract order flow to the Exchange in order to remain competitive. The proposed fee should encourage specialists to vigorously compete for order flow, which not only enhances the specialist's role, but also provides additional revenue to the Exchange. Moreover, the Exchange expects that specialists' efforts to maintain at least 10 percent of the total volume should contribute to deeper, more liquid markets and tighter spreads. Thus, competition should be enhanced, and important auction market principles preserved.

## 2. Statutory Basis

For the above reasons, the Exchange believes that its proposal is consistent with section 6(b) of the Act,<sup>12</sup> in general, and furthers the objectives of sections 6(b)(4)<sup>13</sup> and 6(b)(5)<sup>14</sup> in particular. The Exchange believes that the proposed fee is equitable because the amount charged is generally the same amount that would have been charged had a contract been traded. The fee is intended by the Phlx to promote just and equitable principles of trade and protect investors and the public interest by attracting more order flow to the Exchange, which the Exchange believes should result in increased liquidity and tighter markets.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change, which establishes or changes a due, fee, or other charge applicable to members of the Exchange, has become effective pursuant to section 19(b)(3)(A)<sup>15</sup> of the Act and subparagraph (f)(2) of Rule 19b-

4 thereunder. At any time within 60 days of the filing of the rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Phlx. All submissions should refer to File No. SR-Phlx-00-71 and should be submitted by September 19, 2000.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>16</sup>
