

The applicant requests a maximum of 15 takes for each species. Takes include close approach, direct animal handling, acoustic studies, and tissue collection and import. All age, sex and reproductive classes will be sampled except for pregnant and/or lactating individuals. The applicant also requests authorization to administer medical care in coordination with local stranding networks.

In compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), an initial determination has been made that the activity proposed is categorically excluded from the requirement to prepare an environmental assessment or environmental impact statement.

Written comments or requests for a public hearing on this application should be mailed to the Chief, Permits and Documentation Division, F/PR1, Office of Protected Resources, NMFS, 1315 East-West Highway, Room 13705, Silver Spring, MD 20910. Those individuals requesting a hearing should set forth the specific reasons why a hearing on this particular request would be appropriate.
