

Rulemaking because we did not receive adequate advance notice of this event.

Background and Purpose

This temporary rule is necessary to ensure the safety of the maritime community during setup, loading and firing operations of fireworks in conjunction with the City of Rossford Labor Day Fireworks. Entry into the safety zone without permission of the Captain of the Port is prohibited.

The Captain of the Port may be contacted via Coast Guard Station Toledo on VHF-FM Channel 16.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed this rule under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). This finding is based on the historical lack of vessel traffic at this time of year.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will be in effect for less than one day when vessel traffic can pass safely around the safety zone.

Assistance for Small Entities

In accordance with the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), assistance to small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process is available upon request. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to

the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal government having first provided the funds to pay those costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2-1, paragraph (34)(g), of Commandant Instruction M16475.1C, this rule is categorically excluded from further

environmental documentation. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under ADDRESSES.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; and 33 CFR 1.05-1(g), 6.04-6, and 160.5; and 49 CFR 1.46.

2. A new temporary § 165.T09-079 is added to read as follows:

§ 165.T09-079 Safety zone: Lake Erie, Maumee River, Ohio.

(a) *Location.* A temporary safety zone is established for the waters and adjacent shoreline inside a 420' radius as extended from position 41° 36' 97" N, 083° 34' 94"W, at the north end of Jennings Street, Rossford, Ohio. All nautical positions are based on North American Datum of 1983.

(b) *Effective dates.* This regulation is effective from 2 p.m., September 2, 2000 to 10 p.m., September 2, 2000.

(c) *Restrictions.* In accordance with the general regulations in section 165.23 of this part, entry into this zone is prohibited unless authorized by the Captain of the Port.

Dated: August 18, 2000.

David L. Scott,

Commander, U.S. Coast Guard, Captain of the Port.

[VA099-5048a; FRL-6861-3]

Approval and Promulgation of Air Quality Implementation Plans; Virginia; Withdrawal of direct Final Rule

AGENCY: Environmental Protection Agency (EPA).

ACTION: Withdrawal of direct final rule.

SUMMARY: Due to an adverse comment, EPA is withdrawing the direct final rule to approve a revision to the opacity

limit for drier stacks at the Georgia Pacific Corporation Softboard Plant in Jarratt, VA. In the direct final rule published on July 19, 2000 (65 FR 44683), we stated that if we received adverse comment by August 18, 2000, the rule would be withdrawn and not take effect. EPA subsequently received an adverse comment. EPA will address the comment received in a subsequent final action based upon the proposed action also published on July 19, 2000 (65 FR 44709). EPA will not institute a second comment period on this action.

EFFECTIVE DATE: The Direct final rule is withdrawn as of August 30, 2000.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Parts 52 and 81

[MI43-7283; FRL-6851-5]

Approval and Promulgation of State Implementation Plans; Michigan

AGENCY: Environmental Protection Agency.

ACTION: Direct final rule.

SUMMARY: The United States Environmental Protection Agency (EPA) is adjusting the applicability date for reinstating the 1-hour ozone National Ambient Air Quality Standard (NAAQS) in Muskegon County, Michigan and is determining that the area has attained the 1-hour ozone NAAQS. This determination is based on 3 consecutive years of complete, quality-assured, ambient air monitoring data for the 1997-1999 ozone seasons that

demonstrate that area has attained the ozone NAAQS. On the basis of this determination, EPA is also determining that certain attainment demonstration requirements, and certain related requirements of part D of subchapter I of the Clean Air Act (CAA), do not apply to the Muskegon area.

EPA is also approving the State of Michigan's request to redesignate Muskegon County to attainment for the 1-hour ozone NAAQS. Michigan submitted the redesignation request for the Muskegon area on March 9, 1995, and submitted two updates to the request on June 14 and July 5, 2000. In approving this redesignation request, EPA is also approving the State's plan for maintaining the 1-hour ozone standard for the next 10 years as a revision to the Michigan State Implementation Plan (SIP). In this direct final rule, EPA is also notifying the public that we believe the motor vehicle emissions budgets for volatile organic compounds (VOC) and oxides of nitrogen (NO_x) in the Muskegon, MI submitted maintenance plan are adequate for conformity purposes and approvable as part of the maintenance plan.

In the proposed rules section of this **Federal Register**, EPA is proposing approval of, and soliciting comments on, this SIP revision. If we receive adverse comments on this action, we will withdraw this final rule and address the comments received in response to this action in a final rule based on the related proposed rule. We will not open a second public comment period. Parties interested in commenting on this action should do so at this time.

DATES: This "direct final" rule is effective October 18, 2000, unless EPA receives adverse written or critical comments by September 29, 2000. If adverse comments are received, EPA will publish timely notice in the **Federal Register** and withdraw the rule.

I. Adjustment of Applicability Date for Reinstating the 1-Hour Ozone Standard

A. Why Did EPA Revoke the 1-Hour Ozone Standard in Muskegon?

On June 5, 1998 (63 FR 31014), July 22, 1998 (63 FR 39432) and June 9, 1999 (64 FR 30911), the EPA revoked the 1-hour ozone NAAQS in many areas around the country in anticipation of implementing the new 8-hour ozone NAAQS that was established in 1997. EPA revoked the 1-hour standard to allow areas that were showing attainment to redirect their focus toward meeting the new 8-hour standard. On June 9, 1999, the EPA revoked the 1-hour standard for the Muskegon area
