BILLING CODE 4810-25-P

DEPARTMENT OF THE TREASURY

Departmental Offices; Privacy Act of 1974; Altered Systems of Records

AGENCY: Departmental Offices, Treasury.
ACTION: Notice of Alterations to Twelve Privacy Act Systems of Records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, the Department of the Treasury gives notice of proposed alterations to twelve Privacy Act systems of records. The proposed alterations will update

existing notices and conform them to the requirements of the Office of the Federal Register. The Department also gives notice of the deletion of a Privacy Act system of records.

EFFECTIVE DATE: The proposed alterations will become effective without further notice on October 2, 2000, unless comments dictate otherwise.

ADDRESSES: Comments should be sent to Disclosure Services, Department of the Treasury, 1500 Pennsylvania Avenue, NW, Washington, DC 20220, or by fax at (202) 622-3895.

FOR FURTHER INFORMATION CONTACT: Dale Underwood, Deputy Assistant Director, Disclosure Services, (202) 622-0874.

SUPPLEMENTARY INFORMATION: As a result of a compliance review, the Department found that the following eight Privacy Act systems of records notices should be revised by adding a "Purpose(s)" statement to conform the notices to the format required by the Office of the Federal Register.

Treasury/DO .005—Grievance Records;
Treasury/DO .010—Office of Domestic Finance, Actuarial Valuation System;
Treasury/DO .060—Correspondence Files and Records on Employee Complaints and/or Dissatisfaction;
Treasury/DO .149—Foreign Assets Control Legal Files;
Treasury/DO .156—Tax Court Judge Applicants;
Treasury/DO .183—Private Relief Tax Bill Files;
Treasury/DO .193—Employee Locator and Automated Directory System, and
Treasury/DO .200—FinCEN Data Base.

The list of the bureaus and other components of the Department published in 31 CFR 1.20 was revised on January 14, 2000 (65 FR 2333). Three Treasury-wide systems of records notices (DO .005, DO .210, DO .211) are being updated to make the "system location" consistent with the revision and to add the street addresses to the bureau locations.

The list of the system managers and addresses for Treasury/DO .005—Grievance Records is also being revised due to changes in addresses and reorganizations within the Department, and to reformat the list of the system managers by bureau.

In addition, the notice published on December 17, 1998, did not identify the correct system manager for Treasury/DO .060—Correspondence Files and Records on Employee Complaints and/or Dissatisfaction.

Treasury/DO .190—General Allegations and Investigative Records is amended to change the title to

“Investigation Data Management System,” and to make changes in the system locations and a change in the address of the system manager. Two system locations, New York, NY and Glynco, GA, are being deleted, and four system locations, San Diego, CA; Miami, FL; Marlton, NJ; and Alexandria, VA, are being added.

A review of Treasury/DO .191—OIG Management Information System (MIS) found that the title did not accurately reflect the categories of records in the system and is being renamed: “Human Resources and Administrative Records System.” Appendix A, Addresses of OIG offices, is also amended to reflect current system locations. In addition, the title of the OIG system manager is being changed in the following two Treasury-wide system notices:

Treasury/DO .210—Treasury Integrated Financial Management and Revenue System, and

Treasury/DO .211—Telephone Call Detail Records.

The review found that the Department no longer maintains the records subject to Treasury/DO .068—Time-In-Grade Exception Files. Consequently, the system of records is being deleted effective August 31, 2000.

Because the described alterations are not considered significant, the reporting requirements of subsection (r) of the Privacy Act of 1974 do not apply. The proposed alterations to the Treasury systems of records are set forth below.

Dated: August 15, 2000.

Shelia Y. McCann,

Deputy Assistant Secretary, (Administration).

BILLING CODE 4810-25-P

DEPARTMENT OF THE TREASURY

Internal Revenue Service

Privacy Act of 1974, As Amended; System of Records

AGENCY: Internal Revenue Service, Treasury.

ACTION: Notice of proposed new privacy act system of records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, the Department of the Treasury, Internal Revenue Service, gives notice of a proposed new system of records entitled "Treasury/IRS 22.062—Electronic Filing Records."

DATES: Comments must be received no later than October 2, 2000. This new system of records will be effective October 10, 2000 unless the IRS receives comments which would result in a contrary determination.

ADDRESSES: Comments should be sent to the Office of Governmental Liaison and Disclosure, Internal Revenue Service, 1111 Constitution Avenue, NW, Washington, DC 20224. Comments will be made available for inspection and copying in the Freedom of Information Reading Room (1621) at the above address, upon request.

FOR FURTHER INFORMATION CONTACT:

JoAnn Blank, National Director, Individual Electronic Filing Division, Electronic Tax Administration, OP:ETA:I, Internal Revenue Service, 5000 Ellin Road, Lanham, MD 20706. Telephone number (202) 283-4790.

SUPPLEMENTARY INFORMATION: The proposed system will allow the IRS to better serve the public through more efficient administration of electronic filing of returns. The proposed system will include records about current, past, and potential electronic filing providers, and records concerning marketing and improving electronic filing processes. Records about electronic providers will be used to determine their suitability to participate in the electronic filing program. Certain records will concern why electronic providers have been rejected from participation, including the reasons for such rejection, or for suspension or expulsion from participation. Electronic providers are electronic return originators, electronic return transmitters, and individual filing software developers. Potential electronic filing providers are individuals to whom the IRS wants to market the benefits of becoming an electronic filing provider. An electronic return originator is: (a) An electronic return preparer who prepares returns for taxpayers who intend to have their returns electronically filed, or (b) an electronic return collector who accepts completed tax returns, including Forms 8453 (U.S. Individual Income Tax Declaration for Electronic Filing), from taxpayers who intend to have their returns electronically filed. An electronic return transmitter transmits the electronic portion of a return directly to the IRS. In order to protect the public interest, IRS conducts background investigations of people who apply to file returns electronically for others. Principals of firms or organizations who want to electronically file for others must file IRS Form 8633 (Application to Participate in the Electronic Filing Program). The information from Form 8633 will be used for background checks, which may include fingerprint checks and inquiries to the FBI asking whether the applicant has a criminal history. Records in the system will include records with information from people who volunteer their opinions concerning how to improve electronic filing procedures and ease of use. Records may also include information about people who attend seminars or otherwise express an interest in electronic filing so they can receive

information about the benefits of electronic filing.

The proposed new system of records entitled "Electronic Filing Records—Treasury/IRS 22.062" is published in its entirety below.

Dated: August 23, 2000.

W. Earl Wright, Jr.,
