AGENCY: The Environmental Protection Agency (EPA).

ACTION: Proposed Deletion of the Wheeling Disposal Service Company, Incorporated, Landfill Site (site) from the National Priorities List (NPL).

SUMMARY: The EPA Region VII proposes to delete the Wheeling Disposal Service Company, Incorporated, Landfill site from the NPL and requests public comment on this action. The NPL constitutes Appendix B to Part 300 of the National Oil and Hazardous Substances Pollution Contingency Plan (NCP), which EPA promulgated pursuant to Section 105 of the Comprehensive Environmental Response, Compensation, and Liability

Act of 1980 (CERCLA), as amended. The EPA has determined that the site poses no significant threat to public health or the environment, as defined by CERCLA; and therefore, further remedial measures pursuant to CERCLA are not appropriate.

We are publishing this rule without prior proposal because the Agency views this as a noncontroversial revision and anticipates no dissenting comments. A detailed rationale for this approval is set forth in the direct final rule that appears elsewhere in this issue of the **Federal Register**. If no dissenting comments are received, no further activity is contemplated. If EPA receives dissenting comments, the direct final action will be withdrawn, and all public comments received will be addressed in a subsequent final rule based on this

proposed rule. The EPA will not institute a second comment period. Any parties interested in commenting should do so at this time.

DATES: Comments concerning this Action must be received by October 2, 2000.
