

DEPARTMENT OF DEFENSE**Office of the Secretary****32 CFR Part 311****[OSD Privacy Program]****Privacy Act of 1974; Implementation****AGENCY:** Office of the Secretary, DoD.**ACTION:** Final rule, with comments.

SUMMARY: When the Secretary of Defense Privacy Program (32 CFR part 311) was amended on April 28, 1999, at 65 FR 22784, the 'Procedures for exemptions' section was inadvertently dropped. Therefore, this section is being republished to incorporate it into the current 32 CFR part 311. There have been no changes made to this section.

DATES: Effective: April 28, 1999. Comments must be received by October 31, 2000.

ADDRESSES: Send comments to the OSD Privacy Act Officer, Washington Headquarter Services, Correspondence and Directives Division, Records Management Division, 1155 Defense Pentagon, Washington, DC 20301-1155.

FOR FURTHER INFORMATION CONTACT: Mr. David Bosworth at (703) 695-0970.

SUPPLEMENTARY INFORMATION:**Executive Order 12866**

It has been determined that this Privacy Act rule for the Department of Defense does not constitute 'significant regulatory action'. Analysis of the rule indicates that it does not have an annual effect on the economy of \$100 million or more; does not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; does not materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; does not raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in Executive Order 12866.

Regulatory Flexibility Act

It has been determined that this Privacy Act rule for the Department of Defense does not have significant economic impact on a substantial number of small entities because it is concerned only with the administration of Privacy Act systems of records within the Department of Defense.

Paperwork Reduction Act

It has been determined that this Privacy Act rule for the Department of Defense imposes no information

requirements beyond the Department of Defense and that the information collected within the Department of Defense is necessary and consistent with 5 U.S.C. 552a, known as the Privacy Act, and 44 U.S.C. Chapter 35.

List of Subjects in 32 CFR Part 311

Privacy.

1. The authority citation for 32 CFR Part 311 continues to read as follows:

Authority: Pub. L. 93-579, 88 Stat 1896 (5 U.S.C. 552a).

2. Accordingly, 32 CFR part 311 is amended by adding § 311.8 as follows:

§ 311.8 Procedures for exemptions.

(a) *General information.* The Secretary of Defense designates those Office of the Secretary of Defense (OSD) systems of records which will be exempt from certain provisions of the Privacy Act. There are two types of exemptions, general and specific. The general exemption authorizes the exemption of a system of records from all but a few requirements of the Act. The specific exemption authorizes exemption of a system of records or portion thereof, from only a few specific requirements. If an OSD Component originates a new system of records for which it proposes an exemption, or if it proposes an additional or new exemption for an existing system of records, it shall submit the recommended exemption with the records system notice as outlined in § 311.6. No exemption of a system of records shall be considered automatic for all records in the system. The systems manager shall review each requested record and apply the exemptions only when this will serve significant and legitimate Government purpose.

(b) *General exemptions.* The general exemption provided by 5 U.S.C. 552a(j)(2) may be invoked for protection of systems of records maintained by law enforcement activities. Certain functional records of such activities are not subject to access provisions of the Privacy Act of 1974. Records identifying criminal offenders and alleged offenders consisting of identifying data and notations of arrests, the type and disposition of criminal charges, sentencing, confinement, release, parole, and probation status of individuals are protected from disclosure. Other records and reports compiled during criminal investigations, as well as any other records developed at any stage of the criminal law enforcement process from arrest to indictment through the final release from parole supervision are excluded from release.

(1) *System identifier and name:* DWHS P42.0, DPS Incident Reporting and Investigations Case Files.

(i) *Exemption.* Portions of this system that fall within 5 U.S.C. 552a(j)(2) are exempt from the following provisions of 5 U.S.C. 552a, Sections (c) (3) and (4); (d)(1) through (d)(5); (e)(1) through (e)(3); (e)(5); (f)(1) through (f)(5); (g)(1) through (g)(5); and (h) of the Act.

(ii) *Authority:* 5 U.S.C. 552a(j)(2).

(iii) *Reason:* The Defense Protective Service is the law enforcement body for the jurisdiction of the Pentagon and immediate environs. The nature of certain records created and maintained by the DPS requires exemption from access provisions of the Privacy Act of 1974. The general exemption, 5 U.S.C. 552a(j)(2), is invoked to protect ongoing investigations and to protect from access criminal investigation information contained in this record system, so as not to jeopardize any subsequent judicial or administrative process taken as a result of information contained in the file.

(2) *System identifier and name:* JS006.CND, Department of Defense Counternarcotics C4I System.

(i) *Exemption:* Portions of this system that fall within 5 U.S.C. 552a(j)(2) are exempt from the following provisions of 5 U.S.C. 552a, section (c) (3) and (4); (d)(1) through (d)(5); (e)(1) through (e)(3); (e)(4)(G) and (e)(4)(H); (e)(5); (f)(1) through (f)(5); (g)(1) through (g)(5) of the Act.

(ii) *Authority:* 5 U.S.C. 552a(j)(2).

(iii) *Reason:* From subsection (c)(3) because the release of accounting of disclosure would inform a subject that he or she is under investigation. This information would provide considerable advantage to the subject in providing him or her with knowledge concerning the nature of the investigation and the coordinated investigative efforts and techniques employed by the cooperating agencies. This would greatly impede USSOUTHCOM's criminal law enforcement.

(iv) For subsections (c)(4) and (d) because notification would alert a subject to the fact that an investigation of that individual is taking place, and might weaken the on-going investigation, reveal investigatory techniques, and place confidential informants in jeopardy.

(v) From subsections (e)(4) (G) and (H) because this system of records is exempt from the access provisions of subsection (d) pursuant to subsection (j).

(vi) From subsection (f) because the agency's rules are inapplicable to those portions of the system that are exempt and would place the burden on the agency of either confirming or denying

the existence of a record pertaining to a requesting individual might in itself provide an answer to that individual relating to an on-going criminal investigation. The conduct of a successful investigation leading to the indictment of a criminal offender precludes the applicability of established agency rules relating to verification of record, disclosure of the record to that individual, and record amendment procedures for this record system.

(vii) For compatibility with the exemption claimed from subsection (f), the civil remedies provisions of subsection (g) must be suspended for this record system. Because of the nature of criminal investigations, standards of accuracy, relevance, timeliness and completeness cannot apply to this record system. Information gathered in criminal investigations is often fragmentary and leads relating to an individual in the context of one investigation may instead pertain to a second investigation.

(viii) From subsection (e)(1) because the nature of the criminal investigative function creates unique problems in prescribing a specific parameter in a particular case with respect to what information is relevant or necessary. Also, due to USSOUTHCOM's close liaison and working relationships with the other Federal, as well as state, local and foreign country law enforcement agencies, information may be received which may relate to a case under the investigative jurisdiction of another agency. The maintenance of this information may be necessary to provide leads for appropriate law enforcement purposes and to establish patterns of activity which may relate to the jurisdiction of other cooperating agencies.

(ix) From subsection (e)(2) because collecting information to the greatest extent possible directly from the subject individual may or may not be practicable in a criminal investigation. The individual may choose not to provide information and the law enforcement process will rely upon significant information about the subject from witnesses and informants.

(x) From subsection (e)(3) because supplying an individual with a form containing a Privacy Act Statement would tend to inhibit cooperation by many individuals involved in a criminal investigation. The effect would be somewhat inimical to established investigative methods and techniques.

(xi) From subsection (e)(5) because the requirement that records be maintained with attention to accuracy, relevance, timeliness, and completeness

would unfairly hamper the criminal investigative process. It is the nature of criminal law enforcement for investigations to uncover the commission of illegal acts at diverse stages. It is frequently impossible to determine initially what information is accurate, relevant, timely, and least of all complete. With the passage of time, seemingly irrelevant or untimely information may acquire new significant as further investigation brings new details to light.

(xii) From subsection (e)(8) because the notice requirements of this provision could present a serious impediment to criminal law enforcement by revealing investigative techniques, procedures, and existence of confidential investigations.

(c) Specific exemptions. All systems of records maintained by any OSD Component shall be exempt from the requirements of 5 U.S.C. 552a(d) pursuant to subsection (k)(1) of that section to the extent that the system contains any information properly classified under Executive Order 11265, 'National Security Information,' dated June 28, 1975, pursuant to subsection (k)(1) of that section to the extent that the system contains any information properly classified under E.O. 11265, 'National Security Information,' dated June 28, 1979, as amended, and required by the Executive Order to be kept classified in the interest of national defense or foreign policy. This exemption, which may be applicable to parts of all systems of records, is necessary because certain record systems not otherwise specifically designated for exemptions may contain isolated information which has been properly classified. The Secretary of Defense has designated the following OSD system of records described below specifically exempted from the appropriate provisions of the Privacy Act pursuant to the designated authority contained therein:

(1) *System identifier and name:* DGC 16, Political Appointment Vetting Files.

(i) *Exemption.* Portions of this system of records that fall within the provisions of 5 U.S.C. 552a(k)(5) may be exempt from the following subsections (d)(1) through (d)(5).

(ii) *Authority.* 5 U.S.C. 552a(k)(5).

(iii) *Reasons.* From (d)(1) through (d)(5) because the agency is required to protect the confidentiality of sources who furnished information to the Government under an expressed promise of confidentiality or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. This confidentiality is needed to maintain

the Government's continued access to information from persons who otherwise might refuse to give it. This exemption is limited to disclosures that would reveal the identity of a confidential source.

(2) *System identifier and name:* DWHS P28, The Office of the Secretary of Defense Clearance File.

(i) *Exemption.* This system of records is exempt from subsections (c)(3) and (d) of 5 U.S.C. 552a, which would require the disclosure of investigatory material compiled solely for the purpose of determining access to classified information but only to the extent that disclosure of such material would reveal the identity of a source who furnished information to the Government under an expressed promise that the identity of the source would be held in confidence or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. A determination will be made at the time of the request for a record concerning the specific information which would reveal the identity of the source.

(ii) *Authority.* 5 U.S.C. 552a(k)(5).

(iii) *Reasons.* This exemption is required to protect the confidentiality of the sources of information compiled for the purpose of determining access to classified information. This confidentiality helps maintain the Government's continued access to information from persons who would otherwise refuse to give it.

(3) *System identifier and name:* DGC 04, Industrial Personnel Security Clearance Case Files.

(i) *Exemption.* All portions of this system which fall under 5 U.S.C. 552a(k)(5) are exempt from the following provisions of Title 5 U.S.C. 552a: (c)(3); (d).

(ii) *Authority.* 5 U.S.C. 552a(k)(5).

(iii) *Reasons.* This system of records is exempt from subsections (c)(3) and (d) of section 552a of 5 U.S.C. which would require the disclosure of investigatory material compiled solely for the purpose of determining access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an expressed promise that the identity of the source would be held in confidence, or prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. A determination will be made at the time of the request for a record concerning whether specific information would reveal the identity of a source. This exemption is required in order to

protect the confidentiality of the sources of information compiled for the purpose of determining access to classified information. This confidentiality helps maintain the Government's continued access to information from persons who would otherwise refuse to give it.

(4) *System identifier and name:* DWHS P32, Standards of Conduct Inquiry File.

(i) *Exemption.* This system of records is exempted from subsections (c)(3) and (d) of 5 U.S.C. 552a, which would require the disclosure of: Investigatory material compiled for law enforcement purposes; or investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, or Federal contracts, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. If any individual is denied any right, privilege, or benefit that he would otherwise be entitled by Federal law, or otherwise be eligible, as a result of the maintenance of investigatory material compiled for law enforcement purposes, the material shall be provided to that individual, except to the extent that its disclosure would reveal the identity of a source who furnished information to the Government under an express promise or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. At the time of the request for a record, a determination will be made concerning whether a right, privilege, or benefit is denied or specific information would reveal the identity of a source.

(ii) *Authority.* 5 U.S.C. 552a(k) (2) and (5).

(iii) *Reasons.* These exemptions are necessary to protect the confidentiality of the records compiled for the purpose of: enforcement of the conflict of interest statutes by the Department of Defense Standards of Conduct Counselor, General Counsel, or their designees; and determining suitability, eligibility or qualifications for Federal civilian employment, military service, or Federal contracts of those alleged to have violated or caused others to violate the Standards of Conduct regulations of the Department of Defense.

(5) *System identifier and name:* DUSDP 02, Special Personnel Security Cases.

(i) *Exemption:* All portions of this system which fall under 5 U.S.C.

552a(k)(5) are exempt from the following provisions of 5 U.S.C. 552a: (c)(3); (d).

(ii) *Authority:* 5 U.S.C. 552a(k)(5).

(iii) *Reasons:* This system of records is exempt from subsections (c)(3) and (d) of 5 U.S.C. 552a which would require the disclosure of investigatory material compiled solely for the purpose of determining access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an expressed promise that the identity of the source would be held in confidence or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. A determination will be made at the time of the request for a record concerning whether specific information would reveal the identity of a source. This exemption is required in order to protect the confidentiality of the sources of information compiled for the purpose of determining access to classified information. This confidentiality helps maintain the Government's continued access to information from persons who would otherwise refuse to give it.

(6) *System identifier and name:* DODDS 02.0, Educator Application Files.

(i) *Exemption.* All portions of this system which fall within 5 U.S.C. 552a(k)(5) may be exempt from the following provisions of 5 U.S.C. 552a: (c)(3); (d).

(ii) *Authority.* 5 U.S.C. 552a(k)(5).

(iii) *Reasons.* It is imperative that the confidential nature of evaluation and investigatory material on teacher application files furnished the Department of Defense Dependent Schools (DoDDS) under promises of confidentiality be exempt from disclosure to the individual to insure the candid presentation of information necessary to make determinations involving applicants suitability for DoDDS teaching positions.

(ii) *Authority:* 5 U.S.C. 552a(k)(5).

(iii) *Reasons.* From (d)(1) through (d)(5) because the agency is required to protect the confidentiality of sources who furnished information to the Government under an expressed promise of confidentiality or, prior to

September 27, 1975, under an implied promise that the identity of the source would be held in confidence. This confidentiality is needed to maintain the Government's continued access to information from persons who otherwise might refuse to give it. This exemption is limited to disclosures that would reveal the identity of a confidential source. At the time of the request for a record, a determination will be made concerning whether a right, privilege, or benefit is denied or specific information would reveal the identity of a source.

(9) *System identifier and name:* JS004SECDIV, Joint Staff Security Clearance Files.
