

2459), the Foreign Affairs Reform and Restructuring Act of 1998 (112 Stat. 2681, *et seq.*), Delegation of Authority No. 234 of October 1, 1999, and Delegation of Authority No. 236 of October 19, 1999, as amended, I hereby determine that the objects to be included in the exhibition "Manet: The Still Life Paintings," imported from abroad for the temporary exhibition without profit within the United States, are of cultural significance. The objects are imported pursuant to loan agreements with foreign lenders. I also determine that the exhibition or display of the exhibit objects at the Walters Gallery, Baltimore, Maryland, from January 30, 2001 through April 22, 2001, is in the national interest. Public Notice of these Determinations is ordered to be published in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: For further information, including a list of exhibit objects, contact Jacqueline Caldwell, Attorney-Adviser, Office of the Legal Adviser, U.S. Department of State (telephone: 202/619-6982). The address is U.S. Department of State, SA-44, 301 4th Street, SW., Room 700, Washington, DC 20547-0001.

Dated: August 30, 2000.

Helena Kane Finn,

Acting Assistant Secretary for Educational and Cultural Affairs, United States Department of State.

Agricultural Research Service

Notice of Appointment of the National Genetic Resources Advisory Council

AGENCY: Office of the Under Secretary, Research, Education, and Economics, USDA.

ACTION: Notification of appointment of the National Genetic Resources Advisory Council.

SUMMARY: The Office of the Under Secretary, Research, Education, and Economics of the Department of Agriculture, in accordance with the Federal Advisory Committee Act, 5 U.S.C. App., announces members appointed to the National Genetic Resources Advisory Council. Five members were appointed from nominations to replace five members whose terms had expired. Four members continue for the remaining two years of their four-year appointment. The following appointments to the National Genetic

Resources Advisory Council have been made:

Roni Sue DeNise, Department of Animal Science, University of Arizona, Tucson, AZ, David R. MacKenzie, Executive Director Northeastern Regional Association of State, Agricultural Experiment Stations, College Park, MD, Ru Nguyen, Entomologist, Florida Department of Agriculture, Gainesville, FL, Antonio Sotomayor-Rios, Agronomist, University of Puerto Rico, Mayaguez, PR, Stoney J. Wright, Agronomist, Alaska Department of Natural Resources, Palmer, AK.

The following members will continue on the Advisory Council: Neil D. Hamilton, serving as Chair, Agricultural Law Center, Drake University, Des Moines, IA, Jennie Hunter-Cevera, Maryland Biotechnology Institute, College Park, MD, Charles A. Panton, North Carolina A&T State University, Greensboro, NC, Charles G. Sattler, National Association of Animal Breeders, Columbia, MO.

Council members will serve four-year terms. In the event of a vacancy, the Secretary will appoint a new member as appropriate and subject to the provisions of the Federal Advisory Committee Act. The duties of the Council are solely advisory to the Secretary and the Director of the National Genetic Resources Program on matters concerning the National Genetic Resources Program of the USDA.

Council members will serve without pay. Reimbursement of travel expenses and per diem costs shall be made to members who would be unable to attend council meetings without such reimbursement.

FOR FURTHER INFORMATION CONTACT:

Questions should be e-mailed to pbk@ars.usda.gov, faxed to 301-504-6191, or telephoned to 301-504-5541; all mailed correspondence should be sent to Peter Bretting, Designated Federal Official, USDA-ARS, Room 4-2212, George Washington Carver Center, 5601 Sunnyside Avenue, Beltsville, MD 20705-5139.

Dated: August 25, 2000.

Peter Bretting,

Assistant Administrator for Genetic Resources, USDA-ARS.

Forest Service

Fairfield Ranger District Sheep Allotment AMP EIS, Fairfield Ranger District, Elmore and Camas Counties, ID

AGENCY: Forest Service, USDA.

ACTION: Notice of intent to prepare environmental impact statement.

SUMMARY: The Forest Supervisor of the Sawtooth National Forest gives notice of the agency's intent to prepare an environmental impact statement on a proposal to update the allotment management plans for twelve sheep allotments on the Fairfield Ranger District. This will be done to determine the appropriate livestock management and associated actions, or management changes, needed to provide for recovery of Threatened, Endangered or Sensitive species and meet the requirements established through the Endangered Species Act consultation process. Currently, these grazing allotments have been determined to be "likely to adversely affect" the threatened Bull Trout.

The proposal includes the following sheep grazing allotments; North Fork Lime Creek, Kelley Creek, Beaver Creek, Boardman Creek, Salt/Bowns, Shake Creek, Big Water, Jumbo Mountain, Skeleton Creek, Bridge Creek, Bear Creek and Ross Fork Allotments.

The purpose and need for this proposal is a result of the U.S. Fish and Wildlife Service's (USFWS) determination that grazing activities on the Fairfield Ranger District were "likely to adversely" the threatened bull trout. Terms and conditions were issued by the USFWS in a biological opinion to mitigate these adverse effects. One of these required mitigation measures directs the Forest Service to analyze the scope of the effects of livestock grazing on the bull trout by the beginning of the 2001 grazing season.

The Forest Service invites comments and suggestions on the scope of the analysis to be included in the draft environmental impact statement (DEIS). In addition, the Forest Service gives notice that it is beginning a full environmental analysis and decision-making process for this proposal so that interested or affected people may know how they can participate in the environmental analysis and contribute to the final decision. The first step in the analysis process is "scoping". A scoping paper is available by contacting the Fairfield Ranger District, Fairfield, Idaho 83327 (208) 764-3202. This paper
