SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Form 2-E, Rule 609; SEC File No. 270-222; OMB Control No. 3235-0233.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Form 2-E under the Securities Act of 1933, Report of Sales Pursuant to Rule 609 of Regulation E; and Rule 609 under the Securities Act of 1933, Report of Sales.

Form 2-E [17 CFR 239.201] is used by small business investment companies or business development companies engaged in limited offerings of securities to report semi-annually the progress of the offering, including the number of shares sold. The form solicits information such as the dates an offering has commenced and has been completed, the number of shares sold and still being offered, amounts received in the offering, and expenses and underwriting discounts incurred in

the offering. This information assists the staff in determining whether the issuer has stayed within the limits of an offering exemption.

Form 2-E must be filed semi-annually during an offering and as a final report at the completion of the offering. Less frequent filing would not allow the Commission to monitor the progress of the limited offering in order to ensure that the issuer was not attempting to avoid the normal registration provisions of the securities laws.

There has been on average one filing on Form 2-E during each of the last three years. On average, approximately one respondent spends four hours collecting information, preparing, and filing a Form 2-E for a total annual burden of four hours.

The estimates of average burden hours are made solely for the purposes of the Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms.

Form 2-E does not involve any recordkeeping requirements. The information required by the form is mandatory and the information provided will not be kept confidential. The Commission may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: August 25, 2000.

Deputy Secretary.

Submission for OMB Review; Comment Request

Upon Written Request; Copies Available From: Securities Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Request for Approval: Online Investor Behavior Survey SEC File No. 270-483; OMB Control No. 3235-new.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of an online investor behavior survey. The survey would be voluntary in nature. It would be completed by approximately 10,000 individual investors. The survey will be distributed by brokerage firm members of the Securities Industry Association and posted on the Commission's website. Each respondent would spend approximately 15 minutes completing the survey for an estimated annual total burden of 2,500 hours. The survey would enable the Commission to learn more about the habits and education needs of online investors. It will help the Commission determine how to improve its investor protection and education initiatives with respect to online investors. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (HyperFeed Technologies, Inc., Common Stock, \$.001 Par Value) File No. 1-11108

August 29, 2000.

HyperFeed Technologies, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities

Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d)² promulgated thereunder, to withdraw its Common Stock, \$.002 par value ("Security"), from listing and registration on the Pacific Exchange, Inc. ("PCX").

The Security, in addition to being listed on the PCX, was formerly listed on the American Stock Exchange LLC ("Amex"). In September 1999, the Company transferred to primary trading of its Security from the Amex to the National Market of the Nasdaq Stock Market, Inc. ("Nasdaq"). Trading in the Security commenced on the Nasdaq, and was suspended on the Amex, at the opening on September 23, 1999. Shortly thereafter, the Company filed an application with the Commission to withdraw its Security from listing and registration on the Amex. After appropriate opportunity for public comment, the Commission issued an order granting such application and the withdrawal from the Amex became effective at the opening of business on October 25, 1999.³

The Security continues to trade on the Nasdaq. The Company is currently seeking to withdraw the Security from listing and registration on the PCX in order to avoid both the costs associated with maintaining such listing and the potential fragmentation of the market for its Security. The Company notes that trading volume for its Security on the PCX is minimal.

The Company has stated that it has complied with the rules of the PCX in making its withdrawal application and that it has been advised that the Equity Management Team of the PCX has approved such proposed withdrawal, pending final approval of the Company's application before the Commission.

The Company's withdrawal application relates solely to the listing and registration of its Security on the PCX and shall not affect the Security's continued listing on the Nasdaq and registration under Section 12(g) of the Act.⁴

Any interested person may, on or before September 22, 2000, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the PCX and what terms, if any, should be imposed by the Commission for the

protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the commission, by the Division of Market Regulation, pursuant to delegated authority.⁵

Jonathan G. Katz,
Secretary.
