August 31, 2000.

Take notice that on August 29, 2000, pursuant to Rule 206 of the Commission's Rules of Practice and Procedure (18 CFR 385.206) and the Procedural Rules Applicable to Oil Pipeline Procedures (18 CFR 343.1(a)), Refinery Holding Company, L.P. App § 1 *et seq.* by charging unjust and unreasonable rates for the transportation in interstate commerce of petroleum products in its East Line from El Paso, Texas to points in New Mexico and Arizona.

RHC requests that the Commission: (1) Examine SFPP's rates and charges for its jurisdictional interstate East Line service and declare that such rates and charges are unjust and unreasonable; (2) order refunds and reparations to RHC, including appropriate interest thereon, for the applicable refund and reparations periods to the extent the Commission finds that such rates and charges are unlawful; (3) determine just, reasonable, and nondiscriminatory rates for SFPP's jurisdictional interstate East Line service; (4) award RHC reasonable attorneys' fees and costs and reasonable experts' fees and costs; and (5) order such other and further relief as may be appropriate.

RHC states that it has served the complaint on SFPP. Pursuant to Rule 206(f) of the Commission's Rules of Practice and Procedure, answers to this complaint are due on September 18, 2000.
