Notice of Closure to Livestock Grazing Use and Notice of Intent To Impound

SUMMARY: Effective immediately, the Warm Springs allotment, #05315 is closed to livestock grazing as well as that portion of Houtz Canyon allotment, #05316 north of the Houtz Canyon Road. This closure will remain in effect until March 1, 2003; or until such time as the authorized officer of the Bureau of Land Management (BLM), Malad Resource Area determines the closure may be lifted. This closure is a direct result of a wildfire that burned this area in July of 2000 and subsequent rehabilitation efforts of the BLM. The closure will promote the reestablishment of vegetation on this site and improve the potential for recovery of wildlife and livestock forage.
