SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-43253; File No. SR-AMEX-00-52]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the American Stock Exchange LLC Relating to its Policy Prohibiting Harassment, Intimidation, "Refusals to Deal" and Retaliation

September 6, 2000.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 5, 2000, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to file with the Commission its statements on Fiduciary Responsibilities of the Members of the Board of Governors, Fiduciary Responsibilities of Committee Members and Floor Officials and Employee Code of Ethics.

The text of the proposed rule change is available at the Amex and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed

rule change. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange has long insisted that the Members of its Board of Governors, its committee members, employees, officers, directors and other officials or agents observe the highest standards of business ethics and fair dealings. The Exchange prohibits its Governors, committee members, floor officials, agents, and employees from engaging, directly or indirectly, in any conduct that threatens, harasses, intimidates, constitutes a "refusal to deal" or retaliates against any member, employee of a member or any other market participant.

The Exchange is now proposing to file with the Commission its statements on Fiduciary Responsibilities of the Members of the Board of Governors, Fiduciary Responsibilities of Committee Members and Floor Officials and Employee Code of Ethics which reflect its policy prohibiting its Governors, committee members, employees, officers, directors and other officials or agents from engaging, directly or indirectly, in any conduct that threatens, harasses, intimidates, constitutes a "refusal to deal" or retaliates against any member, employee of a member or any other market participant because: (i) Such member, employee or market participant has made a proposal to any exchange or other market to list or trade any option class; (ii) of such member's or employee's advocacy of or proposals concerning the listing or trading of an option class on any exchange or other market; (iii) such member, employee or market participant has commenced making a market in or trading any option class on any exchange or other market; (iv) such member, employee or market participant seeks to increase the capacity of any options exchange or the options industry to disseminate quote or trade data; (v) such member, employee or market participant seeks to introduce new option products; or (vi) such member, employee or market participant acts, or seeks to act, competitively.

The Exchange believes the prohibited conduct discussed in these statements is fundamentally inconsistent with the

obligations of the members of its Board of Governors, committee members, employees, officers, directors and other officials or agents in their responsibilities to the Exchange and is inimical to the public interest in fair and efficient options markets.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,³ in general, and furthers the objectives of Section 6(b)(5)⁴ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices and to promote just and equitable principles of trade.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the forgoing proposed rule change is concerned solely with the administration of the self-regulatory organization, it has become effective pursuant to Section 19(b)(3)(A)(iii)⁵ of the Act and Rule 19b-4(f)(3)⁶ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609.
