

to assess the burden employers and SESAs would experience if the quarterly contribution and wage reports filed by employers and processed by SESAs were revised to accommodate full names and additional labor market information (LMI). The full name fields are necessary to enhance the efficiency of the National Directory of New Hires database in locating the employment of individuals who are not meeting their parental responsibilities. The additional LMI data are needed to improve the ability to accurately assess the value of various Workforce Investment Act vocational training programs and to enrich the pool of LMI data available.
