Proposed Information Collection Activity; Comment Request Proposed Projects

Title: TANF High Performance Bonus Report.

OMB No.: 0970-0180.

Description: Public Law 104-193 (The Personal Responsibility and Work Opportunity Reconciliation Act of 1996) established the Temporary Assistance for Needy Families (TANF) Program. It also included provisions for rewarding States that attain the highest levels of success in achieving the legislative goals of that program. The purpose of this collection is to obtain data upon which to base the computation for measuring State performance in meeting those goals and for allocating the bonus grant funds appropriated under the law. States will not be required to submit this information unless they elect to compete for the bonus grants. Respondents, therefore, may include any of the 50 States, the District of Columbia, and the U.S. Territories of Guam, Puerto Rico, and the Virgin Islands. We are requesting extension of this currently approved information collection through November 30, 2001.

Respondents: States and Territorial Government.
