**GENERAL SERVICES  
ADMINISTRATION****Performance Review Boards for Small  
Client Agencies Services by the  
General Services Administration,  
Names of Members**

Sec. 4314(c)(1) through (5) of Title 5 U.S.C., requires each agency to establish, in accordance with regulations prescribed by The Office of Personnel Management, one or more Performance Review Boards. The board shall review and evaluate the initial appraisal by the supervisor of a senior executive's performance, along with any recommendations to the appointing authority relative to the performance of the senior executive. The Performance Review Board also shall make recommendations as to whether the career executive should be recertified, conditionally recertified, or not recertified.

As provided under Section 601 of the Economy Act of 1932, amended 31 U.S.C. 1525, the General Services Administration through its Agency Liaison Division, provides various personnel management services to a number of diverse Presidential commission, committees, boards and other agencies through reimbursable administrative support agreements. This notice is processed on behalf of the client agencies, and it supersedes all other notices in the **Federal Register** on this subject. Because of their small size, a Performance Review Board register has been established in which SES members from the client agencies participate. The Board is composed of SES members from various agencies. From this register of names, the head of each client agency will appoint executives to a specific board to serve a particular client agency.
