Notice of removal of the Watertown Mall Area site from the SDMP. At the time the Watertown Mall Area was removed from unrestricted use. During the past 10 years, ARL and NRC completed a radiological assessment of the site.

This administrative action removes the Watertown Mall site from the SDMP. There is no licensing action before NRC at this time. The SUB–238 license will not be terminated, as the ARL, the U.S. Army Corps of Engineers (hereafter, the Corps) are evaluating whether to request an amendment to the SUB–238 to add another SDMP site, the GSA property in Watertown, rather than terminating the license with the removal of the Watertown Mall. The GSA property had been part of the Watertown Arsenal/Mall before 1968.

Background
In 1967–1968, the eastern half of the Watertown Arsenal (referred to as the Watertown Mall area site), encompassing 24 hectares (59 acres) and 21 buildings, including three buildings involved in licensed material use (Buildings 34, 41, and 421), was declared excess government property, transferred to the GSA, and subsequently sold to the Watertown Redevelopment Authority. The area where two of the buildings involved in licensed material use were located are now parking lots for retail stores. The concrete pads for two of the buildings were broken up and left in place during redevelopment of the Watertown Mall Area. The concrete pad for the third building is a foundation for tennis courts. In 1990, the Watertown Mall was added to the SDMP, because records indicated that doses from the relatively small spots of contamination identified on the concrete pads from Buildings 34 and 421 that are below the parking lot and tennis courts, respectively, were well below the current NRC dose-based release criteria at 10 CFR part 20, Subpart E.

Accordingly, the staff has concluded that the Watertown Mall Area site is acceptable for unrestricted use. The ARL July 10, 2000, request is available for review in the NRC’s Public Electronic Reading Room on the NRC Web site at: http://NRC.GOV/ADAMS/INDEX/HTML. Persons wishing to review this document at the Region I Office should call Ms. Sheryl Villar at (610) 337–5239 several days in advance, to assure that the document will be readily available for review. For questions regarding this administrative action to remove the Watertown Mall Area site from the SDMP, please contact Marie Miller, Decommissioning and Laboratory Branch, Division of Nuclear Materials Safety, Region I, at (610) 337–5205.

Dated at King of Prussia, Pennsylvania this 21st day of September 2000.

For the Nuclear Regulatory Commission.

Francis M. Costello,
Deputy Director, Division of Nuclear Materials Safety Region I.
