Submission for OMB Review; Comment Request

Title: Provision of Services in Interstate Child Support.

OMB No.: 0970-0085.

Description: Pub. L. 104-193, The Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996 amended 42 U.S.C. 666 to require State Child Support Enforcement (CSE) programs to enact the Uniform Interstate Family Support Act (UIFSA) into State law by January 1, 1998. To ensure standardization among States, section 311(b) of UIFSA requires the States to use standard interstate forms, as mandated by Federal law. 45 CFR 303.7 requires CSE programs to transmit child support case information on standard interstate forms when referring cases to other States for processing. The forms, which promote uniformity and standardization, are expiring and we are taking the opportunity to make minor revisions to them, to among other things, reflect that UIFSA is now the law for all 54 CSE programs.

Respondents: States.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is issuing an order under the Federal Food, Drug, and Cosmetic Act (the act) permanently debaring Mr. Rami Elsharaiha from providing services in any capacity to a person that has an approved or pending drug product application. FDA bases

this order on a finding that Mr. Elsharaiha was convicted of a felony under Federal law for conduct relating to the regulation of a drug product under the act. Mr. Elsharaiha failed to request a hearing and, therefore, has waived his opportunity for a hearing concerning this action.

EFFECTIVE DATE: September 29, 2000.

ADDRESSES: Submit applications for termination of debarment to the Dockets Management Branch (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852.

FOR FURTHER INFORMATION CONTACT: Christine F. Rogers, Center for Drug Evaluation and Research (HFD-7), Food and Drug Administration, 5600 Fishers Lane, Rockville, MD 20857, 301-594-5640.

SUPPLEMENTARY INFORMATION:

I. Background

On March 4, 1994, the U.S. District Court for the District of Maryland entered judgment against Mr. Elsharaiha for one count of making false declarations before a grand jury, a Federal felony offense under 18 U.S.C. 1623.

As a result of this conviction, FDA published in the **Federal Register** of January 19, 1999 (64 FR 2905), a notice proposing to permanently debar Mr. Elsharaiha from providing services in any capacity to a person that has an approved or pending drug product application, and offering him an opportunity for a hearing on the proposal. The proposal was based on a finding, under section 306(a)(2)(B) of the act (21 U.S.C. 355a(a)(2)(B)), that he was convicted of a felony under Federal law for conduct relating to the regulation of a drug product. Mr. Elsharaiha was provided 30 days to file objections and request a hearing. Mr. Elsharaiha did not request a hearing. His failure to request a hearing constitutes a waiver of his opportunity for a hearing and a waiver of any contentions concerning his debarment.

II. Findings and Order

Therefore, the Director of the Center for Drug Evaluation and Research, under section 306(a)(2)(B) of the act, and under authority delegated to her (21 CFR 5.99), finds that Mr. Rami Elsharaiha has been convicted of a felony under Federal law for conduct relating to the regulation of a drug product.

As a result of the foregoing finding, Mr. Rami Elsharaiha is permanently debarred from providing services in any capacity to a person with an approved or pending drug product application

under sections 505, 512, or 802 of the act (21 U.S.C. 355, 360b, or 382), or under section 351 of the Public Health Service Act (42 U.S.C. 262), effective September 29, 2000, (21 U.S.C. 335a(c)(1)(B) and (c)(2)(A)(ii) and 21 U.S.C. 321(dd)). Any person with an approved or pending drug product application who knowingly uses the services of Mr. Elsharaiha, in any capacity, during his period of debarment, will be subject to civil money penalties. If Mr. Elsharaiha, during his period of debarment, provides services in any capacity to a person with an approved or pending drug product application, he will be subject to civil money penalties. In addition, FDA will not accept or review any abbreviated new drug applications submitted by or with the assistance of Mr. Elsharaiha during his period of debarment.

Any application by Mr. Elsharaiha for termination of debarment under section 306(d)(4) of the act should be identified with Docket No. 94N-0371 and sent to the Dockets Management Branch (address above). All such submissions are to be filed in four copies. The public availability of information in these submissions is governed by 21 CFR 10.20(j). Publicly available submissions may be seen in the Dockets Management Branch between 9 a.m. and 4 p.m., Monday through Friday.
