## SECURITIES AND EXCHANGE COMMISSION

### Proposed Collection; Comment Request

#### *Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, D.C. 20549.

#### Extension:

Rule 17Ad-10; SEC File No. 270-265; OMB Control No. 3235-0273.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Rule 17Ad-10 Prompt Posting of Certificate Detail to Master Securityholder Files; Maintenance of Accurate Securityholder Files and Control Book; and Retention of Certificate Detail

Rule 17Ad-10, 17 CFR 240.17Ad-10, under the Securities Exchange Act of 1934, requires approximately 1,093 registered transfer agents to create and maintain minimum information on securityholders' ownership of an issue of securities for which it performs transfer agent functions, including the purchase, transfer and redemptions of securities. In addition, the rule also requires transfer agents that maintain securityholder records to keep certificate detail that has been cancelled from those records for a minimum of six years and to maintain and keep current an accurate record of the number of shares or principle dollar amount of debt securities that the issuer has authorized to be outstanding (a "control book"). These recordkeeping requirements assist in the creation and maintenance of accurate securityholder records, the ability to research errors, and ensure the transfer agent is aware of the number of securities that are properly authorized by the issuer, thereby avoiding over issuance.

The staff estimates that the average number of hours necessary for each transfer agent to comply with Rule 17

Ad-10 is approximately 20 hours per year, totaling 21,860 hours industrywide. The average cost per hour is approximately \$20 per hour, with the industry-wide cost estimated at approximately \$437,200. However, information required by Rule 17Ad-10 generally already is maintained by registered transfer agents. The amount of time devoted to compliance with Rule 17Ad-10 varies according to differences in business activity.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, N.W. Washington, DC 20549.

Dated: September 26, 2000.

## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.*

Extensions: Rule 6c-7 SEC File No. 270-269; OMB Control No. 3235-0276; Rule 11a-2; SEC File No. 270-267; OMB Control No. 3235-0272.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget requests for approval of extension of the previously approved collection of information discussed below.

Rule 6c-7 [17 CFR 270.6c-7] under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("1940 Act") provides exemption from certain provisions of Sections 22(e) and 27 of the 1940 Act for registered separate accounts offering variable annuity contracts to certain employees of Texas institutions of higher education participating in the Texas Optional Retirement Program. There are approximately 82 registrants governed by Rule 6c-7. The burden of compliance with Rule 6c-7, regarding obtaining from a purchaser, prior to or at the time of purchase, a signed document acknowledging the restrictions on redeemability imposed by Texas law, is estimated to be approximately 3 minutes per response for each of 2,649 purchasers annually, for a total annual burden of 132.45 hours.

Rule 6c-7 requires that the separate account's Registration Statement under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) ("1933 Act") include a representation that Rule 6c-7 is being relied upon and is being complied with. This requirement enhances the Commission's ability to monitor utilization of and compliance with the rule. There are no recordkeeping requirements with respect to Rule 6c-7.

Rule 11a-2 [17 CFR 270.11a-2] permits certain registered insurance company separate accounts, subject to certain conditions, to make exchange offers without prior approval by the Commission of the terms of those offers. There are approximately 649 registrants governed by Rule 11a-2, with an estimated compliance time of 15 minutes per registrant, for a total annual burden of 162.25 hours.

Rule 11a-2 requires disclosure, in certain registration statements filed pursuant to the 1933 Act, of any administrative fee or sales load imposed in connection with an exchange offer. The information resulting from the disclosure is used by the Commission to monitor the terms and conditions of such exchange offers. There are no recordkeeping requirements with respect to this rule.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules or forms. With regard to Rule 6c-7, the Commission does not include in the estimate of average burden hours the time preparing registration statement and sales literature disclosure regarding the restrictions on redeemability imposed by Texas law. The estimate of burden hours for completing the

relevant registration statements are reported on the separate PRA submissions for those statements (see the separate PRA submissions for Form N-3 [17 CFR 274.11b] and Form N-4 [17 CFR 274.11c]). With regard to Rule 11a-2, the Commission includes the estimate of burden hours in the total number of burden hours estimated for completing the relevant registration statements and reported on the separate PRA submissions for those statements (see the separate PRA submissions for Form N-3 and Form N-4).

Complying with the collection of information requirements of the rules is necessary to obtain a benefit. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, D.C. 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: September 25, 2000.
