2. At 9 a.m. on November 15, 2000, subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law, the public lands withdrawn by the Executive orders listed in Paragraph 1 shall be opened to the operation of the public land laws generally and the National Forest System lands withdrawn by the Executive orders listed in Paragraph 1 shall be opened to such forms of disposition as may be law be made of National Forest System lands. All valid applications received at or prior to 9 a.m. on November 15, 2000, shall be considered as simultaneously filed at that time. Those received thereafter shall be considered in the order of filing.

3. At 9 a.m. on November 15, 2000, the lands withdrawn by the Executive orders listed in Paragraph 1 shall be opened to location and entry under the United States mining laws for nonmetalliferous minerals, subject to valid existing rights, the provisions of existing withdrawals, other segregations

of record, and the requirements of applicable law. Appropriation of the lands that were withdrawn pursuant to the Executive orders listed in Paragraph 1 under the general mining laws for nonmetalliferous mining prior to the date and time of restoration is unauthorized. Any such attempted appropriation, including attempted adverse possession under 30 U.S.C. 38 (1994), shall vest no rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by State law where not in conflict with Federal law. The Bureau of Land Management will not intervene in disputes between rival locators over possessory rights since Congress has provided for such determinations in local courts.

BILLING CODE 4310-22-P

DEPARTMENT OF THE INTERIOR

National Park Service

30 Day Federal Register Notice of Submission of Network to Freedom Application Package to Office of Management and Budget; Opportunity for Public Comment

AGENCY: Department of the Interior; National Park Service; and National Underground Railroad Network to Freedom Program.

ACTION: Notice and request for comments.

ABSTRACT: Public Law 105-203 authorizes the National Underground Railroad Network to Freedom Program (NURNFP) to develop and administer the Network to Freedom, a nationwide collection of governmental and nongovernmental properties facilities, and programs associated with the historic Underground Railroad movement. The NURNFP is developing an application process through which associated elements can be included in the Network to Freedom. The information collection will (a) verify associations to the Underground Railroad, (b) measure minimum levels of standards for inclusion in the Network, and (c) identify general element activities.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 and 5 CFR parts 1320, Reporting and Record Keeping Requirements, the NPS invites public comment on the proposed information collection request (ICR). Comments are invited on: (1) The need

for the information including whether the information has practical utility, (2) the accuracy of the reporting burden estimate; (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. The purpose of the proposed ICR is to evaluate sites, facilities, and programs that are applying for inclusion in the Underground Railroad Network to Freedom. The information will be used by the National Park Service to determine if sites, facilities, and programs seeking inclusion in the Network to Freedom meet the minimum elements criteria.

There were no public comments received as a result of publishing in the **Federal Register** a 60 day notice of intention to request clearance of information collection for this survey.

DATES: Public comments will be accepted on or before November 15, 2000.

SEND COMMENTS TO: The Office of Information and Regulatory Affairs of OMB, Attention Desk Officer for the Interior Department, Office of Management and Budget, Washington, D.C. 20530. Please also send comments to Diane Miller, National Coordinator, Underground Railroad Network to Freedom Program, National Park Service, Midwest Regional Office, 1709 Jackson St., Omaha, Nebraska 68102.

Public comments, including names and addresses of respondents, may be made available for public review. Individual respondents may request that their address be withheld from the public comment record. This will be honored to the extent allowable by law. There also may be circumstances in which a respondent's identity would be withheld from the public comment record, as allowable by law. If you wish to withhold your name and/or address, you must stat this prominently at the beginning of your comment. Anonymous comments will not be considered. Comments from organizations or businesses, and from individuals or businesses may be made available for public inspection in their entirety.

Copies of the proposed ICR requirements can be obtained from Diane Miller, National Coordinator, Underground Railroad Network to Freedom Program, National Park Service, Midwest Regional Office, 1709 Jackson St., Omaha, Nebraska 68102.
