

Forms: SIJ-43(X) CAPI instrument; and SIJ-50(X) Sampling Questionnaire. Corrections Statistics, Bureau of Justice Statistics, Office of Justice Programs, United States Department of Justice.

(4) Affected public who will be asked to respond, as well as a brief abstract: Primary: Individuals and households. Others: State and local governments. This pretest will allow us to identify problems and to make improvements prior to the national survey to ensure an accurate data set. The data from the national survey will be used by the Bureau of Justice Statistics in published reports and the U.S. Congress, Executive Office of the President, practitioners, researchers, students, the media, and others interested in criminal justice statistics. No other collection series provides these data.
