

In addition, the Board's meeting was widely publicized throughout the walnut industry and all interested persons were invited to attend and participate in Board deliberations on all issues. Like all Board meetings, the September 8, 2000, meeting was a public meeting and all entities, both large and small, were able to express views on this issue. Finally, all interested persons are invited to submit information on the regulatory and information impact of this action on small businesses.

This rule would impose no additional reporting or recordkeeping requirements on either small or large California walnut handlers. As with all Federal marketing order programs, reports and forms are periodically reviewed to reduce information requirements and duplication by industry and public sectors agencies. Finally, the Department has not identified any relevant Federal rules that duplicate, overlap, or conflict with this rule.

A small business guide on complying with fruit, vegetable, and specialty crop marketing agreements and orders may be viewed at: <http://www.ams.usda.gov/fv/moab.html>. Any questions about the compliance guide should be sent to Jay Guerber at the previously mentioned address in the **FOR FURTHER INFORMATION CONTACT** section.

A 30-day comment period is provided to allow interested persons to respond to this proposed rule. Thirty days is deemed appropriate because: (1) The 2000-01 marketing year began on August 1, 2000, and the order requires that the rate of assessment for each marketing year apply to all merchantable walnuts handled during the year; (2) the Board needs to have sufficient funds to pay its expenses which are incurred on a continuous basis; and (3) handlers are aware of this action which was unanimously recommended at a public meeting and is similar to other assessment rate actions issued in past years.

SOCIAL SECURITY ADMINISTRATION

20 CFR Parts 416 and 422

RIN 0960-AF31

Supplemental Security Income; Disclosure of Information to Consumer Reporting Agencies and Overpayment Recovery Through Administrative Offset Against Federal Payments

AGENCY: Social Security Administration.

ACTION: Proposed rules.

SUMMARY: We propose to modify the regulations dealing with the recovery of supplemental security income (SSI) overpayments made under title XVI of the Social Security Act (the Act). The modifications reflect statutory authority for the Social Security Administration (SSA) to selectively refer information about SSI overpayments to consumer reporting agencies and to recover SSI overpayments through administrative offset by the Department of the Treasury against other Federal payments to which the overpaid individual may be entitled. These collection practices would be limited to overpayments made to a person after he or she attained age 18 that are determined to be otherwise unrecoverable under section 1631(b) of the Act after the individual ceases to be a beneficiary under title XVI of the Act.

DATES: To be sure your comments are considered, we must receive them no later than December 22, 2000.

ADDRESSES: Comments should be submitted in writing to the Commissioner of Social Security, P.O. Box 1585, Baltimore, Maryland 21235-1585, sent by telefax to (410) 966-2830, sent by e-mail to "regulations@ssa.gov," or delivered to the Office of Process and Innovation Management, Social Security Administration, 2109 West Low Rise Building, 6401 Security Boulevard, Baltimore, MD 21235-6401, between 8 a.m. and 4:30 p.m. on regular business days. Comments may be inspected during these same hours by making arrangements with the contact person shown below.

FOR FURTHER INFORMATION CONTACT: Robert J. Augustine, Social Insurance Specialist, Office of Process and Innovation Management, Social Security Administration, 2109 West Low Rise

Building, 6401 Security Boulevard, Baltimore, MD 21235-6401, (410) 966-5121 or TTY (410) 966-5609 for information about these proposed rules. For information on eligibility or claiming benefits, call our national toll-free number, 1-800-772-1213 or TTY 1-800-325-0778 or visit our Internet site, SSA Online, at <http://www.ssa.gov/>

SUPPLEMENTARY INFORMATION: Section 1631(b) of the Act prescribes the methods SSA may use to recover SSI overpayments. Until enactment of Pub. L. 106-169 on December 14, 1999, SSA was not authorized to use certain tools found in 31 U.S.C. Chapter 37 to recover title XVI program overpayments. Section 203 of Pub. L. 106-169 amended section 1631(b) of the Act to permit SSA to use for SSI overpayments several of the debt collection practices that have been available for use regarding social security benefit overpayments under title II of the Act. Among other things, these practices include reporting delinquent debts to consumer reporting agencies and recovering debts by administrative offset against other Federal payments to which the overpaid person is entitled. Under section 1631(b) of the Act, these additional practices may be used only if the SSI overpayment was made to a person after he or she attained age 18 and the overpayment has been determined to be otherwise unrecoverable under section 1631(b) of the Act after the overpaid person is no longer entitled to benefits under title XVI of the Act.

Before we would refer information to consumer reporting agencies or refer an SSI overpayment to the Department of the Treasury for administrative offset, we would:

- Send the overpaid person written notice (or, in the case of an individual for whom we do not have a current address, take reasonable action to locate and send written notice) describing, among other things, the amount and nature of the overpayment, the action that we propose to take, and the overpaid person's rights to request us to review the debt and to inspect or copy our records about the overpayment; and
- Give the overpaid person at least 60 calendar days to present evidence that all or part of the overpayment is not past-due or not legally enforceable, or enter into a written agreement to pay the overpayment.

In these proposed rules, we set forth our proposed policies on referral of information on title XVI overpayment debts to consumer reporting agencies and referral of such debts to the

Department of the Treasury for administrative offset. In the future, as we make the necessary systems changes and develop policies and procedures to enable us to use additional debt collection tools for recovery of SSI overpayments, we will make further modifications to our overpayment recovery rules.

Explanation of Changes to Regulations

We propose to add a new § 416.590 to our regulations to explain that we will use the additional tools authorized by section 1631(b) of the Act when the title XVI program overpayments occurred after the individual attained age 18, and the overpayment has been determined to be otherwise unrecoverable under section 1631(b) of the Act after the individual is no longer entitled to benefits under title XVI of the Act. Proposed § 416.590 also contains the criteria under which we determine that an overpayment is otherwise unrecoverable under section 1631(b) of the Act. An overpayment will be determined to be unrecoverable when all of the following conditions are met:

- We completed our billing sequence (*i.e.*, we have sent the overpaid person an initial notice of the overpayment, a reminder notice, and a past-due notice) or suspended or terminated collection activity in accordance with the Federal Claims Collection Standards in 4 CFR 104.2 and 104.3;
- There is no installment payment agreement, or the overpaid person has failed to pay in accordance with such an agreement for two consecutive months;
- We cannot collect the overpayment by adjusting benefits payable to individuals other than the overpaid person.

For purposes of proposed § 416.590, if the overpaid person is a member of an eligible couple that is legally separated and/or living apart, we will deem unrecoverable from the other spouse that part of the overpayment which the other spouse did not receive. Adjustment of benefits will be waived for the overpaid person's spouse when that spouse is without fault (as defined in § 416.552) and waiver is requested under these circumstances. See § 416.554.

We propose to add to § 416.1403(a) (the list of administrative actions that are not initial determinations) new paragraphs (18) and (19) to include our determinations whether we will refer information about an overpayment to consumer reporting agencies and whether we will refer the overpayment to the Department of the Treasury for offset against other Federal payments due the overpaid person. Administrative

actions that are not initial determinations may be reviewed by us, but they are not subject to the administrative review process provided by subpart N of our regulations at 20 CFR Part 416, and they are not subject to judicial review.

We also propose to expand our existing regulations in subpart D of part 422 to cover SSI overpayments. Specifically, we would revise § 422.301 to add language to specify that the debt collection tools in subpart D may be used to recover title XVI program overpayments the Commissioner has determined, through proposed § 416.590, to be unrecoverable under section 1631(b) of the Act. In § 422.305, we would revise both the section title and paragraph (a). The effect of the changes we propose to make to §§ 422.301 and 422.305 would allow us to apply to overpayments under both title II and title XVI of the Act the rules in subpart D of the referral of information to consumer reporting agencies and the use of administrative offset.

Clarity of This Regulation

Executive Order (E.O.) 12866 and the President's memorandum of June 1, 1998, require each agency to write all rules in plain language. In addition to your substantive comments on these proposed rules, we invite your comments on how to make these proposed rules easier to understand.

For example:

- Have we organized the material to suit your needs?
- Are the requirements in the rules clearly stated?
- Do the rules contain technical language or jargon that is unclear?
- Would a different format (grouping and order of sections, use of headings, paragraphing) make the rules easier to understand?
- Would more (but shorter) sections be better?
- Could we improve clarity by adding tables, lists, or diagrams?
- What else could we do to make the rules easier to understand?
