Proposed Projects

Title: Development Disabilities State Plan.

OMB No.: 0980-0162.

Description: A Developmental Disabilities Council State Plan is required by federal statute. Each State Developmental Disabilities Council must develop the plan, provide for public comments in the State, provide for approval by the State’s Governor, and finally submit the plan once every five years. On an annual basis, the Council must review the plan and make any amendments. The State Plan will be used (1) by the Council as a planning document; (2) by the citizenry of the State as a mechanism for commenting on the plans of the Council; and (3) by the Department as a stewardship tool, for ensuring compliance with the Developmental Disabilities Assistance and Bill of Rights Act and as one basis for providing technical assistance (e.g., during site visits).

Respondents: State Government.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Developmental Disabilities State Plan	55	1	80	4,400

Estimated Total Annual Burden Hours: 4,400.

In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Information Services, 370 L’Enfant Promenade, S.W., Washington, D.C. 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including

whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: October 16, 2000.

Bob Sargis,

Reports Clearance Officer.
