Forest Service

Title: Application for the Senior Community Service Employment Program.

OMB Control Number: 0596-0099.
Summary of Collection: The Senior Community Service Employment Program (SCSEP) is administered in conjunction with Title V of the Older Americans Act of 1965, as amended. The Secretary of Labor administers this program in order to foster and promote useful part-time opportunities in community services activities for unemployed low-income persons who are age 55 or older. The Forest Service (FS) participates as one of 10 national sponsors under a grant agreement from the Department of Labor and operates the SCSEP in 40 states, the District of Columbia, and Puerto Rico. Through the SCSEP the vast majority of applications become self-reliant and independent of welfare programs and have upgraded their skills and transitioned into the regular labor market. The FS will collect information using form FS 1800-21b

“Application for Senior Community Service Employment Program.”

Need and Use of the Information: FS will collect the following information: identification data (name, address, and birth date); eligibility information (number in family, income and signature); applicant's disposition (family income level determination, eligibility determination, community service assignment determination); and other information such as age, sex, education level, ethnic group, his/her veteran and handicapped position. The information will also be used to provide the administrative office within the Department of Labor data on the program's enrollment. If the FS does not collect the above data from each person applying to the SCSEP, participant eligibility determination could not be legally made and the Forest Service could forfeit its right to remain a viable program sponsor.

Extension of Time Limit for Preliminary Results

On February 9, 1995, the Department of Commerce published an antidumping duty order on coumarin from the People's Republic of China (60 FR 7751). The Department received requests to conduct an administrative review of this antidumping duty order. The review was initiated on March 30, 2000 for Jiangsu Native Produce Import & Export Corp. (Jiangsu) at the request of petitioner (65 FR 16875), and on June 2, 2000 for Netchem Inc. (Netchem) at the request of Netchem (65 FR 35320). On July 31, 2000, Jiangsu submitted a letter to the Department stating that it would no longer participate in the review. This antidumping duty administrative review covers the period of February 1, 1999 through January 31, 2000.

Because of the complexity of certain issues, it is not practicable to complete this review within the time limit mandated by section 751(a)(3)(A) of the Act. Therefore, in accordance with that section, the Department is extending the time limit for the preliminary results to no later than February 28, 2001 (*See Memorandum from Barbara E. Tillman to Joseph A. Spetrini, Extension of Time Limit, October 12, 2000*).

Dated: October 13, 2000.
