Background

In response to requests from arbitration and mediation experts around the world, United Nations Commission on International Trade Law (UNCITRAL) has reestablished its Working Group on Arbitration. The Working Group has been charged with considering a number of pressing issues involving application and interpretation of the 1958 New York Convention on the Enforcement of Foreign Arbitral Awards and the UNCITRAL Model Law and Rules on Commercial Arbitration. These issues include the requirement of written form for arbitral agreements under Article 2 of the Convention, about which U.S. courts have taken different approaches, and the desirability of preparing model provisions on the enforcement of interim measures of protection. In addition, the Working Group is charged with considering the desirability of drafting a new UNCITRAL Model Law on Conciliation to pair with the UNCITRAL Conciliation Rules. (Note that the New York Convention and the UNCITRAL Model texts may all be found on the UNCITRAL website.)

The Working Group met in March 2000 and agreed in principle to begin to draft a Model Law on Conciliation, as well as consider the preparation of legal texts in the areas of the written form for arbitration agreements and interim measures of protection. The UNCITRAL Secretariat has now prepared the Report described above with proposals in these areas (Doc. No. A/CN/WG.II/WP.110).

In addition, the UNCITRAL Secretariat has prepared some preliminary background analysis on a number of additional topics that could form the basis for future consideration by the Working Group (Doc. No. A/CN/WG.II/WP.111). These proposals involve aspects of the use of court-ordered interim measures of protection, the scope of interim measures that may be issued by arbitrators, and the validity of agreements to arbitrate.

Attendance

The meeting will be held from 9:30 am to 1 pm in Conference Room 1105 at the Department of State, 2201 C St., NW., Washington, DC, and is open to the public. Because of security requirements for entering the building, persons wishing to attend must contact Ms. Rosie Gonzales, Office of the Legal Adviser, at 202–776–8420, fax 202–776–8482, email < gonzaler@ms.state.gov > no later than Monday November 6.
